Weinstock *God Our Father, THE LEGBREAKER; Jesus His Son, THE PEACEMAKER* Jack W. Swan, 2022-11-03 This book is a chronology of major events and characters in the Old and New Testament of the Bible witnessed by God and Jesus his Son With each such encounter we learn a little more about the true nature of God and Jesus God acknowledges that he is the creator of heaven and earth and all of mankind retaining the right to destroy some or all of it with or without cause God does as he pleases and can be judged by no one Although he espouses righteousness he will have mercy on whom he will have mercy and compassion upon whom he will have compassion By his own admission he is a jealous God condemning anyone who worships false idols To disobey him is to have a death wish In comparison Jesus is the humble servant of God sacrificing himself to save mankind He has nothing but disdain for priests who cloak themselves in raiment to demonstrate their own holiness The only valid reason for accumulating wealth is to share it with others aEURoeLove thy neighbor as thyselfaEUR is the most important commandment and one should love his enemies The Ten Commandments and the Law of Moses should work for man and not vice versa In any given situation it should be changed modified and even ignored to achieve fairness Parties should work complaints out for themselves and use courts as a last resortaEUR forgiveness as a first resort The Bible contains zero humor but plenty of fodder to create some six hundred year old Noah and his family on a Disney cruise with seven pairs of every animal species in the world aboard a 450 foot Ark LotaEUR tm s two daughters getting him drunk and having their way with him Babylonian King Nebuchadnezzar II under GodaEUR tm s spell as a farm animal for seven years training as the first Sasquatch The Christian Skeptic Jody Seymour, Gail Spach, 2015-02-06 The Christian Skeptic was written for those who are not sure if they can still call themselves Christian because they are no longer able to drink the Kool Aid of orthodoxy It is also for seekers who find the person of Jesus intriguing or compelling but who struggle with all the doctrines that surround his story Inspired by Leslie Weatherhead s now out of print book The Christian Agnostic Jody Seymour takes a fresh look at some of the basic tenets of the Christian Faith He offers new insight into concepts such as the nature of God the person and work of Jesus how to read the Bible the role of the church and the question of whether or not Jesus really said my way or the highway This book will give you an opportunity to explore the faith with the windows open to some fresh air and you may discover that being caught between belief and doubt is a good place to be **The Christian in Complete Armour** William Gurnall, 1865 **The Christian in complete armour; or a treatise on the Saints' war with the devil, etc** William GURNALL, 1845 **Modern Satanism** Chris Mathews, 2009-02-17 In 1966 Anton LaVey introduced to the world the Church of Satan an atheistic religion devoted to the philosophy of individualism and pitilessness often associated with Satan Modern Satanism offers a comprehensive survey and analysis of the church that LaVey built Satanism has been an open religion for forty years now and operates successfully in its self created countercultural niche Given the provocative nature of its name contemporary Satanism is only superficially understood as an alternative religion ideology and all too frequently seen as a medieval superstition and associated with rumors of obscure rituals perverse hedonism cult like

behavior and tales of ritual abuse and murder These may be misconceptions but the truth behind the unenviable reputation is no less dramatic Satanism generally eschews supernatural beliefs and embodies a staunchly individualistic pitiless anti egalitarian creed If there is anything fundamentally diabolical about modern Satanism it stems more from the echoes of Nazism in its theories than from its horror comic trappings Modern Satanism covers the history ideology personalities and practices of the decentralized international movement that contemporary Satanism has become The work addresses the various beliefs and practices espoused by those who follow it the ideal of Satan as a rebellious emblem Satanism s occult literary and philosophical influences the history of the Church of Satan and other Satanic organizations the ideology of Satanism Satanism s frequent flirtations and strong parallels with neo Nazism and other forms of extremism Satanism in the media and popular culture and the reasons for Satanism s continuing attractiveness to new converts Though the tone of the work attempts to remain neutral when discussing historical matters it is by necessity critical of the subculture s extremist rhetoric and recurring associations with the far right and racist extremism
