 cried out with a loud voice so that we could enlighten that when He said I have the power to lay My soul this was true for He
 gives the soul with power What was this appeal Father in thy hands I betray my spirit for not by compulsion but he
 voluntarily gave up the spirit This shows I betray also shows that He is thinking again to receive His soul for every pledge is
 again given back Thanks be to the Lord that when He died and when His spirit was handed over to the Father from that time
 the souls of the saints are put into the hands of God and not in the dungeons of hell as before so that the death of Christ
 became our sanctification For this death is invoked with a loud voice not daring and come up if it had not been called The
 church curtain consisted of a kind of canvas hung in the middle of the temple and separating the inside from the outside like
 a wall That it is torn apart through this God shows that the temple inaccessible and unseen the inside of which was covered
 with a veil will be in such humiliation and contempt that it will be accessible to everyone and anyone can consider it Others
 indicate other causes of strife A torn curtain meant they say the abolition of the letter of law and also that all that was lawful
 was revealed which had previously been covered with a letter like a kind of curtain and everything that was previously
 obscure and mysterious would become clear now having been fulfilled on Christ One can also say that as was the custom of
 the Jews in the case of blasphemy to tear their clothes so now the temple of God as if grieving for the death of God tore his
 clothes the veil And someone else could say but that is enough The elements then hesitated as if testifying that the Sufferer is
 the Creator so showing at the same time that that there will be a change in deeds for the Scripture considers an earthquake
 as a sign of a change in deeds So the transfer of God s view from the Jews to the Gentiles took place And the stones that is
 the stone hearts of the Gentiles were dissolved and accepted the seed of truth and those who had been killed by sins rose up
 and entered the holy city into Jerusalem above and appeared to be many who walk on a broad path appearing to them they
 became for them the prototype of a good life and conversion for seeing a man first mortified by passions and then turned and
 entered the holy heavenly city another imitates him and turns around in every way However it was invented too exquisitely
 You know that the resurrection of the dead which happened at the cross of the Lord made it clear that the souls that were in
 hell were released The Risen then appeared to many so that what happened would not seem like a dream But they have risen
 for the sake of a sign and it is clear that they died again However some say that they were resurrected after the resurrection
 of Christ and another time did not die I do not know if this should be accepted **The Works of T. G. [With Preface to**

Grisar,2022-12-10 Luther is a six volume biography of Martin Luther German professor of theology and the Church reformer famous for his Ninety five Theses of 1517 and recognized as a seminal figure in the Protestant Reformation The aim of the work was to present accurate historical and psychological portrait of Luther s personality which is still a mystery from many points of view While presenting Luther s psychological picture the author chooses to do so in Luther s own words analyzing his writings and letters Analyzing Luther s writings he opts not to write about Luther s teachings and the history of dogma but reaches deeper in his endeavor to supply an exact portrayal of Luther as a whole which should emphasize various aspects of his mind and character **The Early English Caribbean, 1570-1700 Vol 1** Carla Gardina Pestana,Sharon V
