## **The Challenge Of Islam Paperback:**

**The Challenge of Islam to Christians** David Pawson, 2022-02-11 The Challenge of Islam to Christians is David Pawson's most important and perhaps his most sobering prophetic message to date. Moral decline and erosion of a sense of ultimate truth have created a spiritual vacuum in the United Kingdom. Pawson believes Islam is better equipped than the Church to move into that gap and it is far more likely to become the country's dominant religion in the future. This book unpacks and explains the background behind Pawson's claims and crucially sets out a positive blueprint for the Church's response. Christians must rediscover and demonstrate to society the three qualities that make Christianity unique: Reality, Relationship, and Righteousness. This book is essential reading for all Christians.

**Cross and Crescent** Colin Chapman, 1995 *The Challenge of Islam* Norman O. Brown, 2009-08-04 The Prophetic Tradition. The Challenge of Islam is an enlightening set of lectures given by Norman O. Brown during the 1980s, exploring a wide-ranging array of topics concerning Islam. Brown reveals the overlooked relationship between Islam and early Christianity, exploring Islam's relation to and revision of the Christian tradition, the literary

innovation of the Qur'an the nature of revolutionary and political Islam and the vision of a world civilization Throughout these lectures which are remarkably pertinent today Brown seeks to educate the reader on misunderstood areas of Islam including the split between the Sunni and Shi'ite sects and Islam's exemplification of the broad themes of art and imagination in human life The author's world historical perspective of religion and tradition gives readers a crucial alternative to the divisive clash of civilizations view that paints Islam as at odds with the West He exposes the unifying strands between Islam and early Judeo-Christian doctrine showing that Islam is in fact a genuine part of Western tradition and more importantly part of a global tradition that embraces us all
