Shadows of Power Jean Hillier, 2003-09-02 *Shadows of Power* examines public policy and in particular the communicative processes of policy and decision making It explores the important who how and why issues of policy decisions Who really takes the decisions How are they arrived at and why were such processes used What relations of power may be revealed

between the various participants Using stories from planning practices this book shows that local planning decisions particularly those which involve consideration of issues of public space cannot be understood separately from the socially constructed subjective territorial identities meanings and values of the local people and the planners concerned Nor can it be fully represented as a linear planning process concentrating on traditional planning policy making and decision making ideas of survey analysis plan or officer recommendation council decision implementation Such notions assume that policy and decision making proceed in a relatively technocratic and value neutral unidirectional step wise process towards a finite end point In this book Jean Hillier explores ways in which different values and mind sets may affect planning outcomes and relate to systemic power structures By unpacking these and bring them together as influences on participants communication she reveals influences at work in decision making processes that were previously invisible If planning theory is to be of real use to practitioners it needs to address practice as it is actually encountered in the worlds of planning officers and elected representatives Hillier shed light on the shadows so that practitioners may be better able to understand the circumstances in which they find themselves and act more effectively in what is in reality a messy highly politicised decision making process

The Skeptical Sublime

James Noggle, 2001-11-01 This book argues that philosophical skepticism helps define the aesthetic experience of the sublime in late seventeenth and eighteenth century British literature especially the poetry of Alexander Pope Skeptical doubt appears in the period as an astonishing force in discourse that cannot be controlled doubt's boundless Sea in Rochester's words and as such is consistently seen as affiliated with the sublime itself emerging as an important way to conceive of excessive power in rhetoric nature psychology religion and politics This view of skepticism as a force affecting discourse beyond its practitioners control links Noggle's discussion to other theoretical accounts of sublimity especially psychoanalytic and ideological ones that emphasize the sublime's activation of unconscious personal and cultural anxieties and contradictions But because The Skeptical Sublime demonstrates the sublime's roots in the epistemological obsessions of Pope and his age it also grounds such theories in what is historically evident in the period's writing The skeptical sublime is a concrete primary instance of the transformation of modernity's main epistemological liability its loss of certainty into an aesthetic asset retaining however much of the unsettling irony of its origins in radical doubt By examining the cultural function of such persistent instability this book seeks to clarify the aesthetic ideology of major writers like Pope Swift Dryden and Rochester among others who have been seen sometimes confusingly as both reactionary and supportive of the liberal Whig model of taste and civil society increasingly dominant in the period While they participate in the construction of proto aesthetic categories like the sublime to stabilize British culture after decades of civil war and revolution their appreciation of the skepticism maintained by these means of stabilization helps them express ambivalence about the emerging social order and distinguishes their views from the more providentially assured appeals to the sublime of their ideological opponents The

Lion that Swallowed Hemingway Orest Stocco,2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide Shifting Shadows Hetty Prim,1991 **The Mammoth Book of Vampire Romance** Trisha Telep,2009-06-01 You never forget your first time with a vampire Whether reacquainting yourself with some of your favourite sexy creatures of the night or getting bitten by the vampire romance phenomenon for the very first time let the biggest and brightest names in the business help you explore your dark side Witness the bewildering array of complex vampire codes of conduct dark ritual and dating practices as they chat up the locals and engage in the most erotic encounters you will sink your teeth into this side of un Death Because vampires never really die do they

The Top Books of the Year The Chameleons Shadow The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Chameleons Shadow : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
