Normal Instructor and Teachers World ,1923 Kindergarten Tales and Then Some Lloyd Wright,2011-03-09

Kindergarten Tales and Then Some is about students in kindergarten and then some more stories The story about the bus is intended to show the children riding the school bus the first time there is nothing to fear When I first went to school I only needed a Big Chief tablet lead pencil and a box of crayons I wrote the story on required school supplies so someday the children now in kindergarten will be able to look back and compare what they needed versus their grandchildren Santa is present in some of the stories along with his reindeer and sleigh It goes without saying where there is Santa there will be some of his elves There are stories about how holidays are celebrated by kindergarten students The book also tells of the compassion and generosity of the children toward others Put all the stories together and they will show you the world will be in good hands in the future Normal Instructor and Primary Plans ,1921
