The Chymical Wedding

Johann Valentin Andreae

The Chymical Wedding:

Chymical Wedding Lindsay Clarke, 2011-04-20 Soon after moving to the secluded Norfolk village of Munding Alex Darken has a disturbing encounter with the ageing poet Edward Nesbit and his young lover Laura They are obsessively researching the lives of Sir Henry Agnew and his daughter Louisa who lived in Munding in the nineteenth century and were deeply engaged in alchemical practices By recovering the lost secret of the hermetic mysteries Edward and Laura hope to find an alternative to the destructive materialism of the post industrial world Once drawn into their fervent quest for knowledge Alex finds himself entangled in a passionate and intense intrigue that reaches across two centuries A beautifully written ambitious and captivating novel which takes a profound look at issues of nature human existence and forgotten knowledge The Chymical Wedding which won the 1989 Whitbread Prize for Best Novel is already considered a classic for its stylistic prowess and philosophical resonances

The Chemical Wedding of Christian Rosenkreutz Joscelyn Godwin, 1991-10-01 The Chemical Wedding of Christian Rosenkreutz often looked upon as the third Rosicrucian manifesto has an entirely different tone from the other Rosicrucian documents Unlike the Rosicrucian manifestoes which address the transformation of society The Chemical Wedding is concerned with the inner transformation of the soul It is a deeply interior work one which asks the reader to step into its world of symbols and walk with Christian Rosenkreutz along his path of transformation Despite its importance as a key text of the Western esoteric traditions this is the first ever contemporary English translation of The Chemical Wedding made especially for this edition by Joscelyn Godwin Also included in this edition is an introduction and commentary by Adam McLean which illuminates the transformative symbolism

The Chymical Wedding of Christian Rosenkreutz Johann Valentin Andreae, 2017-01-30 About The Book The Chymical Wedding is an allegoric story divided into Seven Days or Seven Journeys and which tells us how Christian Rosenkreuz was invited to go to a wonderful castle full of miracles in order to assist the Chymical Wedding of the king and the queen The story is symbolic of alchemy the Sacred Marriage being the goal Very esoteric stuff going on here Excerpt But inasmuch as this and the like from the Devil who had done me many a spite was no new thing to me I took courage and persisted in my meditation till somebody in an unusual manner touched me on the back whereupon I was so hugely terrified that I dared hardly look about me yet I showed myself as cheerful as in such occurrences human frailty would permit Now the same thing still twitching me several times by the coat I looked back and behold it was a fair and glorious lady whose garments were all sky coloured and curiously like Heaven bespangled with golden stars in her right hand she bore a trumpet of beaten gold on which a Name was engraved which I could well read but am as yet forbidden to reveal it In her left hand she had a great bundle of letters of all languages which she as I afterwards understood was to carry to all countries She also had large and beautiful wings full of eyes throughout with which she could mount aloft and fly swifter than any eagle

The Chymical Wedding of Christian Rosenkreutz, Anno 1459 Christian Rosencreutz,Johann Valentin Andreä,2011 In the twenty first century The Chymical Wedding by Johann Valentin Andreae continues to be acknowledged as a literary gem an exceptional story written in the Western esoteric tradition The story follows the narrator Christian Rosenkreutz on his path toward spiritual knowledge and inner transformation The whole experience of what he first witnesses then in which he participates and finally for which he takes responsibility profoundly challenges him This is an important book for the present critical time of change that is facing humanity We are witnessing the dazzling development of scientific and technological thought yet modern thinking is ill equipped to solve the deeper human mysteries and the social questions The Chymical Wedding invites the reader to transform the power of scientific thinking into new and more positive ways of viewing the world without losing one s clarity and certainty The illuminating illustrations by David Newbatt along with the text which has been adapted to modern English bring a fresh approach to this important alchemical tale This beautifully illustrated edition can help awaken a better understanding of the Rosicrucian initiation path and the spirit and philosophy behind it Beneath the veil of fascinating imagery in this book is a guide for developing a more meaningful inner life today
