Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today's popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy's militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of *The Da Vinci Code* and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don't trust the literary elites to tell you what to read he warns make up your own minds *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction This book can be your guide to it *The Gospel of the Fallen Angel* Geraint Ap Iorwerth, 2011-09-30 From humble beginnings as a private investigator in the Heavenly Court Satan worked his way up the career ladder to become God's Chief Prosecutor It wasn't long before he branched off and started his own global enterprise as Prince of The World *The Gospel of The Fallen Angel* is Satan's exclusive honest account of the life and times of his greatest adversary Jesus of Galilee When Jesus walked on earth he gave strict orders not to let anyone know who he was My minions couldn't help themselves They kept blurting it out I had better self control Until now After 2000 years I've finally broken my silence Not bad going for the archetypal disobedient one Satan Geraint's *The Gospel of The Fallen Angel* is a first to tell the story of Jesus from Satan's perspective He tells the story of the real Jewish Jesus not the fictitious Christ of the Christian church A highly original clever often funny alternative view of the Gospels It has a lot to say about traditional Christianity that is interesting and uncomfortable Its appeal is its modern message about what it means to be human whether one is religious or not *Michael Connelly* Schatt, Stan, 2015-03-12 *Michael Connelly A Reader's Guide* covers everything about Connelly including his novels his short stories the articles he published as a crime reporter and even movie treatments of his novels Over 40 million fans have purchased books by Michael Connelly His fans storm his website to discuss his characters and plots Their passion for his characters is obvious It's the same kind of enthusiasm now found among fans of the Harry Potter and Hunger Games series Yet while both those series have companion books that serve as readers guides no such book exists on Connelly What is unique about this book is that it shows how Connelly shaped his actual experiences as a crime reporter into his fiction You will also find explanations of how Connelly fits into the mystery landscape **Bestseller** Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery lounging by the pool with a steamy romance or brooding over a classic novel Americans love to read Despite the distractions of modern living nothing quite satisfies many individuals more than a
