Wages of Sin Urcelia Teixeira, 2022-06-28 To find her future, she must embrace her past. It all comes down to this. The final installment of the Valley of Death series races at a rip-roaring pace to a tense ending. After risking life and limb to save Ben in *Shadow of Fear*, book II, Jorja walks straight into a trap she didn't see coming. Hopeless, her faith wavering and with no way out, she does the unthinkable to survive, all in the name of freedom. But freedom comes at a price, and terror and betrayal are mild compared to what's coming. Facing the ultimate test, by man or by God, a test so great that it might very well push her to the point of no return, Jorja learns what it means to truly trust and that sometimes one has to take one step back to take two steps forward. With nothing but her faith, skills, and resilience to win the ultimate battle between good and evil, no matter the cost, she pushes ahead, once more forsaking all but God to gain her freedom. But will she realize in time that the life she thinks she's always wanted might not be the same as the one God conceived? Or will she end up losing it all? Emotionally gripping from the very first page, the conclusion promises to have you hold your breath one last time as you walk with Jorja through the treacherous perils of the valley of death. *The Constantine Codex* Paul Maier, 2011-05-23 Harvard Professor Jonathan Weber is finally enjoying a season of peace when a shocking discovery thrusts him into the national spotlight once again. While touring monasteries in Greece, Jon and his wife Shannon, a seasoned archaeologist, uncover an ancient biblical manuscript containing the lost ending of Mark and an additional book of the Bible. If proven authentic, the codex could forever change the way the world views the holy Word of God. As Jon and Shannon work to validate their find, it soon becomes clear that there are powerful forces who don't want the codex to go public. When it's stolen en route to America, Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever. *The Malefactors* A. H. Holt, 2021-07-17 Historical Christian fiction. Story of the two thieves. An epic tale spanning the lifetime of its characters. Set in Israel during the time of Christ, the story follows the life and times of two thieves. Jerusalem as its background, the story moves from the brutal life of a highwayman to the warmth of family and to the ultimate betrayal and a shattering revelation. My father, Richard Wallace Haw, wrote the basic story of this book a long time ago. His

story was obviously a work of love Written after he had visited Israel the manuscript sat in a box for years Its typewriter text faded and the paper curled with age I loved my father He was a great man I went about publishing my novels and working fulltime Long after his death I decided to rewrite his story The language and syntax were so formal but the story was beautiful I added my own touches changing enough to make it flowing and readable I am immensely proud of The Malefactors and I believe that my father is too Set in Biblical Palestine during the time of Christ The Malefactors weaves the story of the two thieves Josias and Lucius that were crucified with Jesus The life of Josias from his birth to the end brings you into the lives of incredible characters and drama An intricately woven story of crime adventure treachery love and family gives a different perspective of the time when Jesus walked the earth Historically and biblically accurate this is a remarkable work of historical fiction Bible Christ Jesus Biblical Love Family Palestine Two Thieves Thief Jerusalem Brutal Betrayal Revelation Rome Israel Jews Roman Crucifixion Historical Suspense Action Adventure Crime Treachery Procurator of Judea Pilate Tiberius Pilate Caesarea Galilean Golgotha Galilee Christian Fiction Christian Anne Haw Holt Ph D writing as A H Holt Ahholt com Genre Christian Fiction Suspense Thriller Time Period The Life of Christ Location Israel
