Spurgeon** London metrop. tabernacle, 1866 *The Christian Minister and His Duties* James Oswald Dykes, 1908 *True Worship* Justin Miller, 2020-05-05 How is God to be worshipped In our modern context there are so many approaches people take to the worship of God both corporately as well as individually The greatest issue the evangelical church faces in our time is not the decline in the morality of our society or even the secularization of our Western context rather it is the forsaking of the true worship of God It is the neglect of living out a cherished doctrine of the reformation Sola Scriptura God is the object and consumer of worship Therefore his word given to us governs us in our worship of him The people of Israel are told by Moses in Deut 12 32 Whatever I command you you shall be careful to do you shall not add to nor take away from it The Lord Jesus told the Samaritan women in John 4 24 God is spirit and those who worship Him must worship in spirit and truth God spells out with crystal clarity how his redeemed are to worship him In True Worship we will explore what biblical worship of the triune God is and why it is crucial in our time and for all time **No Struggle for Existence, No Natural Selection** George Paulin, 1908 The Medium and Daybreak , 1878 Radiance and Symbolism in Modern Stained Glass Liana De Girolami Cheney, 2016-02-08 This book focuses on the aesthetic symbolic and cultural concepts of radiance and beauty in stained glass in modern art global exchanges between stained glass artists in Europe and the Americas and the transformation of stained glass from religious decoration to secular material culture Unique features of the book include its geographic breadth encompassing England France Italy USA and Mexico and its inclusion of American female glassmakers Essays consider how stained glass became an art form during this time and show how the narrative for the figurative design drew from the Bible mythology history literature and the symbolism of the time including popular culture such as ecology and materiality Written for students and the general public interested in the humanities literature history art history and new media and popular culture this book examines the visual beauty and symbolism of stained glass windows in Europe and American cultures during the late nineteenth and early twentieth centuries the modern era **Small Is Big!** Tony Dale, Felicity Dale, George Barna, 2011-05-25 Church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God s church How might we change the world if our Christian faith began multiplying at a rapid pace through a way of life that is explosive and transformational It happened once before in the early days of the church what will it take to bring us to that point of urgency and determination again Small Is Big originally published as The Rabbit and the Elephant offers keys to 21st century evangelism leveraging the power of the small and taking the gospel to where the people are and the pain is And as God uses us to channel Jesus love into a hurting desperate world we ll see his church grow beyond anything we could have imagined **Pulpit Fiction** Gregg

Powers, Ed Nolan, 2018-10-05 Do you get your understanding about God and his plan of salvation from the Bible or from the pulpit If an honest self evaluation reveals that you are relying more on the words of men than the Word of God for your relationship with God and your eternal destiny you need to read this book This book is not written to liberal theologians and Christians who may believe or assume the Bible is not the sole authority on spiritual matters Rather it is written to those who truly believe the Bible to be the literal and inspired Word of God and understand God's plan of salvation to be revealed in biblical truth Unfortunately in much of the modern church the increasing trend is toward teaching the doctrines of men instead of what the Bible actually says In these times it is critically important that we follow the example of the Bereans who examined scripture to see if what was said is true The result is that many in the pews who think they are on Christ's narrow way that leads to eternal life are being deceived This book tells the truth that every evangelical pastor and Christian should know about what the Bible really says about salvation Connections: Year C, Three-Volume Set Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, 2019-05-01 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary For each worship day within the three year lectionary cycle the commentaries in Connections link the individual lection reading with Scripture as a whole as well as to the larger world In addition Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season Finally sidebars offer additional connections to Scripture for each Sunday or worship day This nine volume series is a practical constructive and valuable resource for preachers who seek to help congregations connect more closely with Scripture This eBook set contains Year C volumes 1 2 and 3
