**Ante-Nicene Fathers: Fathers of the Early Church (Complete)** Philip Schaff, The Church of God which sojourns at Rome to the Church of God sojourning at Corinth to them that are called and sanctified by the will of God through our Lord Jesus Christ Grace unto you and peace from Almighty God through Jesus Christ be multiplied Owing dear brethren to the sudden and successive calamitous events which have happened to ourselves we feel that we have been somewhat tardy in turning our attention to the points respecting which you consulted us and especially to that shameful and detestable sedition utterly abhorrent to the elect of God which a few rash and self-confident persons have kindled to such a pitch of frenzy that your venerable and illustrious name worthy to be universally loved has suffered grievous injury For who ever dwelt even for a short time among you and did not find your faith to be as fruitful of virtue as it was firmly established Who did not admire the sobriety and moderation of your godliness in Christ Who did not proclaim the magnificence of your habitual hospitality And who did not rejoice over your perfect and well-grounded knowledge For ye did all things without respect of persons and walked in the commandments of God being obedient to those who had the rule over you and giving all fitting honour to the presbyters among you Ye enjoined young men to be of a sober and serious mind ye instructed your wives to do all things with a blameless becoming and pure conscience loving their husbands as in duty bound and ye taught them that living in the rule of obedience they should manage their household affairs becomingly and be in every respect marked by discretion

**Anthology of the Biblical Revolution Evolution Series** Michael Stansfield, 2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny

humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again *Catalogue of English Bible Translations* William J.
