Augustine, 2012-01-01 Spirituality involves taking our personal experience seriously as raw material for redemption and holiness examining the material of our daily lives with as much rigor as we do Scripture and doctrine Confessions is the landmark work in this exercise Eugene Peterson Saint Augustine wasn't always a saint He led a turbulent and licentious youth and belonged to the fourth century equivalent of a street gang At the age of 29 he met a young man Ambrose whose intelligence kindness and strong faith fascinated and puzzled Augustine Then at the age of thirty two under Ambrose's tutelage Augustine converted to Christianity and went on to be one of the most influential Christians throughout history Written in 400 AD less than a decade after his ordination to the priesthood a mere four years after becoming bishop of Hippo he wrote Confessions in his forties He was a man looking back and looking forward an apt simile perhaps for the role Augustine played in the history of the Church that of a bridge between two distinct eras Confessions traces a pilgrimage of unbounded grace passionately wrestling with the spiritual questions that have engaged thoughtful minds since time began It is Augustine's utter candor about his own sin and his struggle to reconcile his mind and soul to God's holy character that made Confessions the classic that it has been for fifteen centuries and compelling to readers still today Companion volume to HP's trade paper edition of Augustine's City of God Classic text edited by Albert Cook Outler Larger easy to read edition Competitively priced It is difficult to find a theologian from any age who has not been influenced by the teachings of St Augustine Richard Foster Devotional Classics
