The Curse of Capistrano Johnston McCulley, 2020-02-17 McCulley's novel first appeared in 1919 as a five part story serialized in All Story Weekly, a popular pulp magazine. The novel was quickly adapted to film as The Mark of Zorro starring Douglas Fairbanks.

The Curse of Capistrano (The Mark of Zorro) Illustrated Johnston McCulley, 2020-07-20 This premium quality edition contains the complete and unabridged text of The Curse of Capistrano. Johnston McCulley's original tale of the adventures of Zorro printed on heavy bright white paper in a large 6x9 format with page headers and a fully laminated full color cover featuring an original design. Also included in this edition is a new original biographical sketch discussing the life and work of the prolific but enigmatic author. First published in 1919 as a serial in the All Story Weekly pulp magazine, this story was originally titled The Curse of Capistrano and was the first appearance of the Zorro character, the dashing masked vigilante fighting against the oppression of the King's officials in Old California while hiding his real identity as Don Diego Vega behind a foppish facade. When it became the basis for the 1920 Douglas Fairbanks film The Mark of Zorro and was republished as a novel to coincide with the film, it was re-titled as The Mark of Zorro. Numerous Zorro stories, books and films followed, some following Johnston McCulley's original characterizations more closely than others and all including McCulley's own later stories essentially disregarding the ending of the original story without explanation. Born in Ottawa, Illinois, on February 2, 1883, Johnston McCulley was a prolific writer who published extensively in the pulp magazines of the day under a variety of pen names. He created a number of popular masked costumed vigilante characters and gentleman villains with secret identities, and his work was a major influence on subsequent pulp characters.
