Tibbetts,James

M. Welsh, 2010-08-12 First appearing in 1976 American Classic Screen was the publishing arm of The National Film Society. Intended for scholars and general readers interested in films from the golden age of cinema and beyond, the magazine ran for a decade and included original interviews, profiles, and articles that delved deep into the rich history of Hollywood. Contributors to the magazine included noted academics in the area of film studies as well as independent scholars and authors eager to expand the world of cinema. Since the periodical's demise, however, many of the essays and articles have been difficult to find at best and in some cases entirely unavailable. In American Classic Screen Profiles, editors John C. Tibbetts and James M. Welsh have assembled some of the most significant and memorable profiles written for the magazine over its ten-year history. This collection contains rare insights into some of the brightest stars of yesteryear as well as gifted filmmakers, directors, and craftsmen alike, including Fatty Arbuckle, Baby Peggy, Warner Baxter, Ralph Bellamy, Beulah Bondi, George M. Cohan, Cecil B. DeMille, Boris Karloff, Jayne Mansfield, Marilyn Monroe, Eleanor Powell, Robert Redford, Mickey Rooney, William Wellman, and Natalie Wood. This compendium of profiles recaptures the spirit and scholarship of that time and will appeal to both scholars and fans who have an abiding interest in the American motion picture industry.

Caribbean Rim Randy Wayne White, 2019-02-26 Murder, sunken treasure, and pirates both ancient and modern send Doc Ford on a nightmare quest in this thrilling novel in the New York Times bestselling series. Now in paperback for the first time, Marine biologist Doc Ford has been known to help his friends out of jams occasionally, but he's never faced a situation like this. His old pal Carl Fitzpatrick has been chasing sunken wrecks most of his life, but now he's run afoul of the Florida Division of Historical Resources. Its director, Leonard Nickelby, despises amateur archaeologists, which is bad enough, but now he and his young assistant have disappeared along with Fitzpatrick's impounded cache of rare Spanish coins and the list of uncharted wreck sites Fitz spent decades putting together. Some of Fitz's own explorations have been a little dicey, so he can't go to the authorities. Doc is his only hope. But greed makes people do terrible things: rob, cheat, even kill. With stakes this high, there's no way the thieves will go quietly, and Doc's just put himself in their crosshairs. **Deep Shadow**

Randy Wayne White, 2011-02-22 In a remote Florida lake, a cave collapses, trapping Doc Ford and two of his friends. Ford manages to escape and surfaces to find help, but two ex-cons are waiting for him. They're intent on diving to the bottom of the deep lake and finding the remains of a legendary plane supposedly loaded with gold. Ford's expertise is just what they need. And if he doesn't help, Ford and his friends are dead in the water. **The Red Smith Reader**
