The Destruction Of Da Derga S Hostel:

The Destruction of Da Derga's Hostel Ralph O'Connor, 2013-02-28 Irish saga literature represents the largest collection of vernacular narrative in existence from the early Middle Ages using the tools of Christian literacy to retell myths and legends about the pagan past This unique corpus remains marginal to standard histories of Western literature its tales are widely read but their literary artistry remains a puzzle to many even within Celtic studies This book the first to offer a systematic literary analysis of any single native Irish tale aims to show how one particularly celebrated saga works as a story the Middle Irish tale Togail Bruidne Da Derga The Destruction of Da Derga s Hostel which James Carney called the finest saga of the early period This epic tale tells how the legendary king Conaire was raised by a shadowy Otherworld to the kingship of Tara and after a fatal error of judgement was hounded by spectres to an untimely death at Da Derga s Hostel at the hands of his own foster brothers By turns lyrical and laconic and rich in native mythological imagery the story is told with a dramatic intensity worthy of Greek tragedy and the intricate symmetry of its narrative procedure recalls the visual patterning of illuminated manuscripts such as The Book of Kells This book invites the reader to enjoy and understand this literary masterpiece explaining its narrative artistry within its native classical and biblical literary contexts Against a historical backdrop of shifting ideologies of Christian kingship it interprets the saga s possible significance for contemporary audiences as a questioning exploration of the challenges and paradoxes of kingship *The Irish Ulysses* Maria Tymoczko, 2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 The Destruction of Da Derga's Hostel Whitely Stokes, 2004-06-01 So in this wise Conaire fared forth and on each of the four roads whereby men go to Tara there were three kings awaiting him and they had raiment for him since it had been foretold that he would come stark naked Then he was seen from the road on which his fosterers were and they put royal raiment about him and placed him in a chariot and he bound his pledges

Race Thomas William Rolleston,1911 Encyclopaedia of Religion and Ethics James Hastings,John Alexander Selbie,Louis Herbert Gray,1914 Fosterage in Medieval Ireland Thomas O'Donnell,2025-10-01 Fosterage was a central feature of

medieval Irish society yet the widespread practice of sending children to another family to be cared for until they reached adulthood is a surprisingly neglected topic Where it has been discussed fosterage is usually conceptualised and treated as a purely legal institution This work seeks to outline the emotional impact of growing up within another family What emerges is a complex picture of deeply felt emotional ties binding the foster family together These emotions are unique to the social practice of fosterage and we see the language and feelings originating within the foster family being used to describe other relationships such as those in the monastery or between humans and animals This book argues that the more we understand how people felt in fosterage the more we understand medieval Ireland **Irish Prose** Patrick Stephen Dinneen,1902
