A Christmas Child Molesworth,2015-02-24 Where did you get those eyes so blue Out of the sky as I came through Christmas week a good many years ago Not an old fashioned Christmas this year for there was no snow or ice the sky was clear and the air pure but yet without the sharp bracing clearness and purity that Master Jack Frost brings when he comes to see us in one of his nice bright sunny humours For he has humours as well as other people not only is he fickle in the extreme but even black sometimes and he is then I can assure you a most disagreeable visitor But this Christmas time he had taken it into his head not to come at all and the world looked rather reproachful and disconcerted The poor bare December world it misses its snow garment so graciously hiding all imperfections revealed by the absence of green grass and fluttering leaves it misses too its winter jewels of icicles and hoar frost Poor old world What a great many Decembers you have jogged
