The Cock Of The South:

Southern Routes Ben Vaughn, 2015-09-15 In most of Ben's experiences the humble Southern chefs share their long protected family recipes but it's not an adventure if everyone cooperates. Some of these institutions guard their recipes like members of the family. To the untrained eater the secret ingredients it takes to create such an iconic dish would remain a bewitching mystery without the original formula. However Ben's journey and mission is to deliver the most amazing 100 Southern recipes in *Southern Routes*. With his charm and ability in the kitchen award winning chef author and Food Network host Ben Vaughn acquired each recipe one way or another. If he was unable to get the recipe directly from the source Ben replicated it himself only having tasted the dish. After deciphering the exact mix of ingredients his recipe was put to the test when the recipe gatekeeper gave him the thumbs up. *Southern Routes* highlights iconic Southern kitchens all throughout the Delta such as Mat Our Way Caf in Decatur Georgia, McMel's City Caf, Dipsy Doodle and Wendell Smith's Restaurant in Tennessee and Martha's Menu in Mississippi. This book is more than a recipe book but instead a soulful informative ride through the most delicious parts of America. Experience the real recipes, real people and real stories as Ben journeys through the South exploring *Southern Routes*.

Subduing Satan Ted Ownby, 2014-02-01 The Praying South and the Fighting South are two of our most popular images of white southern culture. In *Subduing Satan* Ted Ownby details the tensions between these complex and often opposing attitudes. Ownby's re-creation of male recreation is rich and fascinating. He paints the saloon and the street, the cockfighting and dogfighting rings as realms of distinctly male vices enjoyed lustily by men seeking to escape the sweet virtue of the Southern Christian home. Nation A bold new thesis Ownby gives us guideposts in the ongoing search for the meaning of southern history. *Journal of Southern History* I suspect that for many years ahead Ted Ownby's *Subduing Satan* will serve as the standard guide on how to write religious social history. Bertram Wyatt Brown, University of Florida. This is one of the freshest and most interesting books written about the American South in years. By focusing on the cultural conflicts of everyday life Ownby gets us right to the heart of white culture in the South between Reconstruction and the 1920s. Edward L Ayers, University of Virginia.
