The Connect S Wife:

Genesis 1 & 2 The Foundation of the Bible Chris Child,2024-07-24 The book explores why the first two chapters of Genesis are the foundation of the Bible Through a unique approach he shows how to interpret these passages based on the premise that the Bible is self contained and self interpreting book Hence readers will discover the intricate precision with which Scripture is woven together to convey God s perspective and emphasizes His priorities to us **Sexual Hospitality in the Hebrew Bible** Thalia Gur-Klein,2014-10-20 A woman s life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife s sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance *The 5 Sex Needs of Men and Women* Gary Rosberg,Barbara Rosberg,Ginger Kolbaba,2006 Lists the top sex needs of husbands and wives and discusses how to meet those needs from a Christian perspective **Pray Without Ceasing** Deborah van Deusen Hunsinger,2006-08-10 Taking seriously Paul s exhortation in 1 Thessalonians to pray without ceasing Deborah van Deusen Hunsinger challenges pastors and congregations to put prayer at the center of their Christian practice and theological reflection In this thought provoking book Hunsinger reclaims spiritual practices from token use and unites them in a dynamic network of interdependent caring traditions The book begins with the three foundational disciplines of spiritual reading careful listening and self reflection Hunsinger then explores prayers of petition intercession confession lament and thanksgiving Finally she offers practical workable suggestions for developing pastoral care groups and teaching care giving skills at the congregational level Clergy and laity alike will reap the benefits of this revitalizing look at the spiritual disciplines as dynamic forces in the life of the church
