
The Crucible Act 1 Study Guide

As the play begins, why has Reverend Parris sent for a doctor? - His daughter Betty is "sick" - as if in a coma

What advice does the doctor send back? - That he can find no medical reason for her illness, and he should look for an "unnatural reason."

What does Reverend Parris question Abigail about? - If her name in the village is "white" - meaning, is her reputation good.

What is Parris' main concern? - His reputation as a minister and material possessions.

What/Who did Parris see in the woods the night before? - He saw Abigail, Betty and other girls dancing in the woods.

What has Elizabeth Proctor said about Abigail? - Elizabeth knows that Abigail and her husband had an affair, so she fired her from their service. Abigail believes that Elizabeth has spread "rumors" about the affair.

Why does Abigail say she was dismissed by the Proctors'? - She claims that she was dismissed because she refused to be treated like a slave. She calls Elizabeth a "...bitter woman, a lying, cold, sniveling woman..."

What rumors have circulated about Betty Parris? What proof later occurs that "proves" that she is a witch? - Villagers say they saw her flying over a barn. When Betty has a fit as people downstairs sing a psalm (a religious song), Mrs. Putnam claims that Betty cannot bear to hear the Lord's name because she is a witch.

Why did Mrs. Putnam contact Tituba? - She has lost 7 children in childbirth and wants to know who is "killing" her babies.

Who does Abigail accuse of conjuring spirits at this point? - Tituba

What does Betty Parris reveal about what happened in the woods? - Betty reveals that Abigail drank blood as a charm to kill Elizabeth.

What threat does Abigail make to the other girls? - She threatens to "...come to you in the black of some terrible night and I will bring a pointy reckoning that will shudder you." In other words, she threatens to hurt them physically if they tell.

What happened in the past between John Proctor and Abigail? How do they feel about it now? - They had an affair when she worked at the Proctors'. John has put a stop to it, but Abigail still pursues him.

Collins,J.G. Manning,2016-08-29 This collection of essays contains a state of the field discussion about the nature of revolt and resistance in the ancient world While it does not cover the entire ancient world it does focus in on the key revolts of the pre Roman imperial world Regardless of the exact sequence it was an undeniable fact that the area we now call the Middle East witnessed a sequence of extensive empires in the second half of the last millennium BCE At first these spread from East to West Assyria Babylon Persia Then after the campaigns of Alexander the direction of conquest was reversed Despite the sense of inevitability or of divinely ordained destiny that one might get from the passages that speak of a sequence of world empires imperial rule was always contested The essays in this volume consider some of the ways in which imperial rule was resisted and challenged in the Assyrian Persian and Hellenistic Seleucid and Ptolemaic empires Not every uprising considered in this volume would qualify as a revolution by this definition Revolution indeed was on the far end of a spectrum of social responses to empire building from resistance to unrest to grain riots and peasant rebellions The editors offer the volume as a means of furthering discussions on the nature and the drivers of resistance and revolution the motivations for them as well as a summary of the events that have left their mark on our historical sources long after the dust had settled
