This time they discover the origins of the mirrors and with danger and strange phenomenon around every corner. Harrison is also in danger as he meets a descendant of Zyanya called Christina who is a sadomasochist and performs strange sexual acts in order to prove her dominant personality. **Cursed** Sarah Ruth Scott, Simon Robert Sinclair, 2016-01-15 The definition of cursed is damned. A curse is an appeal or prayer for evil or misfortune to befall someone to invoke supernatural powers in order to bring harm to someone. In ancient times this was used in witchcraft or other forms of medieval sorcery. *Cursed* is the combined story of the *Harrington curse*, the *curse of Zyanya* following the trail of a curse that has lasted centuries and finally is revealed in a massive conclusion at the end in final chapter of *Cursed*. Never has there been a more bloody experience related as this in the entire history of the world as the twenty first century is threatened by the past. Read on if you dare. Cracked Porcelain Acts of Abuse Sarah Ruth Scott, 2016-01-13 A completely fictitious story about Ruth Ashley and her life as a nurse and model following her harrowing life and looking in to her past experiences of abuse. This story highlights the many emotions and nightmares as well as other effects following experiences of abuse. It also deals with lesbian relationships and society's reactions to same sex relationships as Ruth discovers her own sexuality amid the chaos and animosity around her. Some people may find this book disturbing particularly if you have experienced abuse of any kind whether it be physical, mental, psychological or financial. You are advised to seek help if this is the case. You can find useful websites at the end of the book. *Blood Trail* Sarah Ruth Scott, 2016-05-10 A woman called Siena enters the future through a picture or time portal and befriends a man Jack who later discovers he is in love with a vampire. However this is just the beginning of his problems as vampire slayers also enter the future and both are faced with more than they bargain for in this fast pace story of romance and intrigue. The story takes the readers through a journey through time meeting interesting characters and danger around every corner. Siena wants to be human again and asks god to help her reach her goal. A guardian angel called Faith appears with a mission to defeat the vampire that cursed her life in order to be human again. She persuades Jack and others to help her achieve this. **Eight Skulls of Teversham** SR Sutton, 2018-07-20 This story is centered on the seventh century and is based primarily in Scotland. It concentrates on witchcraft and the ancient art of divination and folklore. The main character Eric Butterworth was seeking revenge after his entire family was killed by witches.
