The Democratic System In The Eastern Caribbean:

The Democratic System in the Eastern Caribbean Donald C. Peters, 1992-06-30 What are the unique features of the governing structures and political systems of the small states and former British colonies of the East Caribbean Are they truly democratic Do the decision makers manipulate their peoples And what can we learn about the political modernization of developing countries through an in depth study of the governing of Antigua Dominica Grenada St Lucia St Vincent and the Grenadines St Kitts Nevis and Montserrat This is the most comprehensive analysis to date of these little known democracies one that will interest students in comparative government and Latin American studies This study provides a conceptual framework for comparing East Caribbean governments with other Western political systems for assessing the democratic and authoritarian characteristics of seven small states and for analyzing the impact of modernization on the political development of these developing nations The study describes the political institutions in the East Caribbean the role of political parties the church and class and shows how the particular social and economic problems affect the governments and people in the region

Politics and Democracy in Microstates Wouter Veenendaal, 2014-10-17 Why are small states statistically more likely to have a democratic political system By addressing this question from a qualitative and comparative methodological angle this book analyses the effects of a small population size on political competition and participation By comparing the four microstates of San Marino Europe St Kitts and Nevis Caribbean Seychelles Africa and Palau Oceania it provides fresh and stimulating insight concluding that the political dynamics of microstates are not as democratic as commonly believed Instead it is found in all four cases that smallness results in personalistic politics dominance of the political executive patron client relations between citizens and politicians and the circumvention of formal political institutions In addition the book suggests that the study of formal institutions provides an incomplete image of microstate democracy and that informal characteristics of politics in microstates also need to be explored in order to better explain the influence of smallness on democracy This book will be of key interest to scholars and students of democracy democratization regional and decentralization studies and comparative politics

The Resilience of Democracy Peter Burnell, Peter Calvert, 2022-09-27 This volume brings together studies of the small number of previously established states that have retained and or restored democracy despite in many cases formidable economic social or political challenges It seeks to establish common themes whether or not they appear to fit a grand casual theory It is after all the very adaptability of democratic systems that characterises their persistence durability and resilience

Varieties of Clientelism Edward Aspinall, Ward Berenschot, 2022-12-26 Clientelism is a prominent feature of many of the world s democracies and electoral authoritarian regimes Yet the comparative study of this practice which involves exchanging personal favours for electoral support remains strikingly underdeveloped This book makes the case that clientelistic politics take different forms in different countries and that this variation matters for understanding democracy elections and governance Involving collaboration by experienced

observers of politics in several countries Mexico Ghana Sudan to Turkey Indonesia the Philippines Caribbean and Pacific Island states and Malaysia the chapters in this volume unpack the concept of clientelism and show that it is possible to identify different types of patronage democracies The book proposes a comparative framework that focuses on the networks that politicians use the type of resources they hand out their degree of control over the distribution of state resources and shows that the comparative study of a key informal dimension of politics offers much analytical promise for scholars of democracy and governance Varieties of Clientelism is essential reading for scholars and students interested in clientelism patronage democracies comparative political economy as well as party politics The chapters in this book were originally published as a special issue of Democratization Crime and Punishment around the World Graeme R. Newman, 2010-10-19 This comprehensive detailed account explores crime and punishment throughout the world through the eyes of leading experts local authors and scholars and government officials It is a subject as old as civil society yet one that still fuels debate Now the many and varied aspects of that subject are brought together in the four volume Crime and Punishment around the World This unprecedented work provides descriptions of crimes and the justice systems that define and punish them in more than 200 nations principalities and dependencies Each chapter examines the historical political and cultural background as well as the basic organization of the subject state s legal and criminal justice system It also reports on the types and levels of crime the processes leading to the finding of guilt the rights of the accused alternatives to going to trial how suspects are prosecuted for their crimes and the techniques and conditions of typical punishments employed Comprising a study that is at once extraordinarily comprehensive and minutely detailed the essays collected here showcase the variety and the universality of crime and punishment the world over **Democracy in Small States** Jack Corbett, Wouter Veenendaal, 2018-09-19 Populism and the personalization of politics appears to be threatening the existence of democracy as we know it all over the world It is now more important than ever to understand the history of this form of regime why it has thrives and fails But existing studies are limited by their focus on a few large and predominately rich states This book takes the opposite approach it investigates how politics is practiced in the smallest states where hyper personalization has always been a ubiquitous feature of political life It optimistically finds that hyper personalized democracy can actually persist against all odds but also cautions that political practices in small states are often markedly different to larger states Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford Small is Democratic Dana Ott, 2018-10-24 This book examines the relationship between state size and the formation and maintenance of democratic political systems Using a cross national multiple case study of The Gambia

in West Africa and Trinidad and Tobago in the Caribbean in combination with a quantitative data set on all the nations in the world the study examines the effects of smallness when measured by population size on a number of variables including the probability of becoming and remaining democratic access to information political instability and political violence The dissertation argues that the small scale social structure which is prevalent in small states directly affects the social interaction of individuals in these states through the multiple role relationships created as a consequence and indirectly affects the political and economic systems of these states through the impact of such social networks on political interaction etc The case studies examine the effects of smallness on two states that aside from being small and democratic share few background characteristics It is argued that small state size acts as an enabling environment for democratization increasing the likelihood that such states will become and remain democratic as occurred in Trinidad and Tobago The case of The Gambia illustrates the limitations of smallness to overcome other obstacles to democratization including economic social and systemic limitations The quantitative analysis establishes a significant statistical relationship between small state size when measured by population and the formation and maintenance of political democracy and an increased likelihood of political violence when measured by political riots and deaths by political violence The analysis concludes with a discussion of the implications of such findings including transferability through the application of targeted decentralization programs

Foreign Policy in a Constructed World Vendulka Kubalkova, 2016-09-16 This volume demonstrates the application of the constructivist approach to the analysis of foreign policy i.e. states actions in a world of states Part I introduces constructivism for foreign policy studies Part II presents five model case studies the Cold War Francoism the two Chinas inter American relations and Islam in U.S. foreign policy Part III reviews their results

The Routledge International Handbook of Island Studies Godfrey Baldacchino, 2018-06-13 From tourist paradises to immigrant detention camps from offshore finance centres to strategic military bases islands offer distinct identities and spaces in an increasingly homogenous and placeless world The study of islands is important for its own sake and on its own terms But so is the notion that the island is a laboratory a place for developing and testing ideas and from which lessons can be learned and applied elsewhere The Routledge International Handbook of Island Studies is a global research based and pluri disciplinary overview of the study of islands Its chapters deal with the contribution of islands to literature social science and natural science as well as other applied areas of inquiry The collated expertise of interdisciplinary and international scholars offers unique insights individual chapters dwell on geomorphology zoology and evolutionary biology the history sociology economics and politics of island communities tourism wellbeing and migration as well as island branding resilience and commoning The text also offers pioneering forays into the study of islands that are cities along rivers or artificial constructions This insightful Handbook will appeal to geographers environmentalists sociologists political scientists and one hopes some of the 600 million or so people who live on islands or are interested in the rich dynamics of islands and island life

Decolonization in St. Lucia Tennyson

S. D. Joseph, 2011-08-16 Tennyson S D Joseph builds upon current research on the anticolonial and nationalist experience in the Caribbean. He explores the impact of global transformation upon the independent experience of St Lucia and argues that the island's formal decolonization roughly coincided with the period of the rise of global neoliberalism hegemony. Consequently, the concept of limited sovereignty became the defining feature of St Lucia's understanding of the possibilities of independence. Central to the analysis is the tension between the role of the state as a facilitator of domestic aspirations on one hand and a facilitator of global capital on the other. Joseph examines six critical phases in the St Lucian experience. The first is 1940 to 1970 when the early nationalist movement gradually occupied state power within a framework of limited self-government. The second period is 1970 to 1982 during which formal independence was attained and an attempt at socialist-oriented radical nationalism was pursued by the St Lucia Labor Party. The third distinctive period was the period of neoliberal hegemony 1982-1990. The fourth period 1990-1997 witnessed a heightened process of neoliberal adjustment in global trade which destroyed the banana industry and transformed the domestic political economy. A later period 1997-2006 involved the SLP's return to political power resulting in tensions between an earlier radicalism and a new and contradictory accommodation to global neoliberalism. The final period 2006-2010 coincides with the onset of a crisis in global neoliberalism during which a series of domestic conflicts reflected the contradictions of the dominant understanding of sovereignty in narrow materialist terms at the expense of its wider anti-systematic progressive and emancipator connotations. **Modern**

Latin American Revolutions Eric Selbin, 2018-02-07 In contrast to previous studies that have centered on the institutionalization of revolution in Latin America and the Caribbean, *Modern Latin American Revolutions* Second Edition introduces the concept of consolidation of the revolutionary process, the efforts of revolutionary leaders to transform society and the acceptance by a significant majority of the population of the core of the social revolutionary project. As a result, the spotlight is on people, not structures, and transformation, not simply revolutionary transition. The second edition of this acclaimed book has been revised to include new information on the cases of Bolivia, Cuba, Nicaragua, and Grenada, assessing the extent to which each revolution was both institutionalized and consolidated. This edition also boasts expanded coverage on Che Guevara's visionary leadership and an all-new section that addresses the future of revolution in Latin America and the Caribbean. Dr. Selbin argues that there is a strong link between organizational leadership and the institutionalization process on the one hand and visionary leadership and the consolidation process on the other. Particular attention is given to the ongoing revolutionary process in Nicaragua with an emphasis on the implications and ramifications of the 1990 electoral process. A final chapter includes brief analyses of the still-unfolding revolutionary processes in El Salvador and Peru.

Democratic Solidarity in the Americas George Pratt Shultz, 1984 International Bibliography of the Social Sciences, 1994 The IBSS is the essential tool for librarians, university departments, research institutions, and any public or private institution whose work requires access to up-to-date and comprehensive knowledge of the social sciences. **Foreign**

The Democratic System In The Eastern Caribbean Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Democratic System In The Eastern Caribbean has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Democratic System In The Eastern Caribbean has opened up a world of possibilities. Downloading The Democratic System In The Eastern Caribbean provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Democratic System In The Eastern Caribbean has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Democratic System In The Eastern Caribbean. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Democratic System In The Eastern Caribbean. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Democratic System In The Eastern Caribbean, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Democratic System In The Eastern Caribbean has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Democratic System In The Eastern Caribbean Books

What is a The Democratic System In The Eastern Caribbean PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Democratic System In The Eastern Caribbean PDF?

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a The Democratic System In The Eastern Caribbean PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a The Democratic System In The Eastern Caribbean PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a The Democratic System In The Eastern Caribbean PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
