Confessions of Luna & Grey Jessica Sorensen , Everyone thinks I'm a good girl who follows the rules. But I've got secrets, lots of them. And if anyone ever found out about them, I'd be in deep trouble. It's a good thing I'm fantastic at keeping secrets. Or well, I was until Grey Sawyer discovers one of my darkest secrets. Grey is one of the most popular guys in school and he's spent the last three years bullying me. So I expect him to tell everyone what he found out about me. But strangely, he doesn't. And even stranger, he acts as if he likes me. I'm not sure if I'm buying into his nice guy act or not. But honestly, I feel like I don't have a choice. We're just friends, though. That's it. At least that's why I try to tell myself. Deep down, I know I'm falling for him. Badly. I just hope I don't get my heart crushed.

A full length standalone novel

Isa & the Guy Next Door Jessica Sorensen , I've always been the girl that never fit in. This is kind of a problem since I've had a huge crush on Kyler, my next door neighbor, who's one of the most popular guys in school. But I'm pretty sure he's never going to see me as anything else except the weird girl who lives next door. And that's okay. I've learned to accept that I have bigger problems to worry about anyway, like the fact that my family has been keeping a secret from me for years. It's something that's always bothered me, so when I take a summer trip overseas with my grandma and cousin, I decide to poke around and see if I can solve the mystery. But solving an old family secret is proving to be more complicated than I thought.

Enter Kai, Kyler's younger brother. Kai used to be my sworn enemy, but now he's offering to help me figure out the mystery surrounding my family. I'm not sure why he wants to help me, but I guess there's no harm in it. What we end up discovering, though, is way darker than I ever could've imagined.

As Violet spends time with Luke, she becomes torn on whether she should be with him. She definitely can't deny that her life is better when she's with Luke and she starts to wonder if going back to Preston was a mistake. Things seem to be going well as Violet opens up more to Luke, but then she gets a call from the detective not only to give an update on Mira Price and the case, but to give information about some threatening texts she's been getting. The information is not only shocking but makes Violet question what kind of people her parents really were and whether she'll be able to trust anyone ever again.
