this ebook AN ESSAY ON ARISTOCRATIC RADICALISM 1889 Friedrich Nietzsche appears to me the most interesting writer in German literature at the present time Though little known even in his own country he is a thinker of a high order who fully deserves to be studied discussed contested and mastered Among many good qualities he has that of imparting his mood to others and setting their thoughts in motion During a period of eighteen years Nietzsche has written a long series of books and pamphlets Most of these volumes consist of aphorisms and of these the greater part as well as the more original are concerned with moral prejudices In this province will be found his lasting importance But besides this he has dealt with the most varied problems he has written on culture and history on art and women on companionship and solitude on the State and society on life s struggle and death He was born on October 15 1844 studied philology became in 1869 professor of philology at Basle made the acquaintance of Richard Wagner and became warmly attached to him and associated also with the distinguished historian of the Renaissance Jakob Burckhardt Nietzsche s admiration and affection for Burckhardt were lasting His feeling for Wagner on the other hand underwent a complete revulsion in the course of years From having been Wagner s prophet he developed into his most passionate opponent Nietzsche was always heart and soul a musician he even tried his hand as a composer in his Hymn to Life for chorus and orchestra 1888 and his intercourse with Wagner left deep traces in his earliest writings But the opera of Parsifal with its tendency to Catholicism and its advancement of the ascetic ideals which had previously been entirely foreign to Wagner caused Nietzsche to see in the great composer a danger an

enemy a morbid phenomenon since this last work showed him all the earlier operas in a new light During his residence in Switzerland Nietzsche came to know a large circle of interesting people He suffered however from extremely severe headaches so frequent that they incapacitated him for about two hundred days in the year and brought him to the verge of the grave In 1879 he resigned his professorship From 1882 to 1888 his state of health improved though extremely slowly His eyes were still so weak that he was threatened with blindness He was compelled to be extremely careful in his mode of life and to choose his place of residence in obedience to climatic and meteorological conditions He usually spent the winter at Nice and the summer at Sils Maria in the Upper Engadine The years 1887 and 1888 were astonishingly rich in production they saw the publication of the most remarkable works of widely different nature and the preparation of a whole series of new books Then at the close of the latter year perhaps as the result of overstrain a violent attack of mental disorder occurred from which Nietzsche never recovered To be continue in this ebook [Complete Ethiopian Bible in English - Original Version - 88 Books](#) Edward Jones,2023-10-01 The Complete Ethiopian Bible in English 88 Sacred Books including Old Testament New Testament Enoch Jubilees Meqabyan Original Ethiopian Orthodox Bible Translation By buying the original version of the Complete Ethiopian Bible in English you receive the only authentic and faithful translation of the ancient Ethiopian Orthodox canon by the biblical scholar Edward Jones OVER 10 000 COPIES SOLD BUY THE ORIGINAL VERSION WRITTEN BY BIBLICAL SCHOLARS For centuries many sacred texts have been excluded from traditional Bibles The Original Ethiopian Bible offers a unique perspective on spirituality and biblical history compiling 88 sacred books including Enoch Jubilees and Meqabyan Uncover the full richness of God s Word with the Original Ethiopian Bible now faithfully translated into clear beautiful English This Ethiopian Bible is an authentic and faithful translation of the original texts with language that is natural clear and emotionally resonant Unlike older formal translations that can feel distant or confusing this edition flows smoothly and is engaging to read The translators worked to preserve the spiritual depth poetic rhythm and ancient beauty of the Ethiopian Bible while ensuring it is easily understood by today s readers Whether you re a Bible scholar a seeker of truth or someone who wants to explore lesser known Christian traditions this faithful translation of the Ethiopian Bible will allow you to Discover sacred books excluded from the Western canon Understand the origins of Scripture and its deeper meaning Explore doctrines and traditions rarely studied in biblical history More Than a Book A Key to Unlock Hidden Truths If you want to expand your biblical knowledge and explore texts rarely studied this Bible is the perfect guide for your journey Don t miss the opportunity to own this remarkable Bible begin your journey into the fuller story of God s Word today Click Buy Now to begin your journey **The Bibliographer's Manual of English Literature** William Thomas Lowndes,1863 [The Oxford Companion to English Literature](#) Dinah Birch,2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students teachers scholars and general readers of English literature It provides unrivalled coverage of all aspects of English literature from writers their works and the
