Universal Precautions/Exposure Plan

Child Care facilities shall develop a written exposure plan regarding universal safety precautions. All child care personnel are required to be educated on the facility's exposure plan regarding standard precautions before beginning to work and annually thereafter. The DCF Child Care Personnel Orientation Course (5 hours) provides general information on this topic that may be used to supplement a facility specific training offered by the child care provider.

Note: By December 31, 2021, the facility shall maintain a specific number of child care personnel (as outlined in the Child Care Facility Handbook) with current CPR certification and first aid training that are on site at the facility at all times children are in care.
