top places to visit and things to do in Louisiana 2 Contour Map of Louisiana you can mark your trail the best points or whatever you want The possibilities are endless 3 Equipment Checklist whether you are an advanced hiker or just starting out you will find useful things here The things listed apply to the tent campers RV lovers people who come from abroad to visit the United States and anyone passionate about day trips 4 Your Personal Storage make your trip even more interesting easier and safer 5 Campsite Campground Checklist unique list of useful things to keep in mind when choosing where to stay 6 Road Information depending on the state you are traveling to there may be different conditions renovations restrictions requirements Write them all down 7 Local Area Notes write down and keep all your memories and photos in uniquely designed sections Benefits of having this book 1 Gift for a loved one children or grandparents to inspire them to a great adventure 2 Great help in keeping you organized and recording all your adventures while saving your memories for a lifetime 3 Taking notes during your journey will make it more enjoyable 4 Inspire grandchildren and children to live in harmony with nature
