World Changers John A. Byrne, 2011-12-08 What if you could sit down with some of the world's most influential entrepreneurs and gain their knowledge and insights on how to create a game changing business Imagine having the chance to listen to a John Mackey Whole Foods or a Fred Smith FedEx on the most important things they've learned from their experiences Or having the benefit of the self reflection of Howard Schultz of Starbucks who had to come back to the company he originally built to reinvent it and himself Of course it's not possible to deliver these rock star entrepreneurs to your dinner table But John A Byrne offers the next best thing he spoke with many who have changed the face of business In World Changers he captures the most important lessons they've learned the biggest challenges they've tackled and the most valuable advice they can offer others who have an entrepreneurial dream You'll learn the inspiring stories of how these world changers discovered their disruptive ideas then made them a reality overcame a variety of obstacles and created sustainable enterprises You'll get the firsthand accounts of how Bernie Marcus and Arthur Blank got

the confidence to start The Home Depot after being fired from their jobs Reed Hastings turned a forty dollar video late fee into a disruptive upstart called Netflix Herb Kohler the reluctant prince of porcelain came back to the family business and made it number one in its industry again Narayana Murthy after one fateful train ride and wrongful incarceration converted from communist to capitalist and cofounded one of the most successful entrepreneurial ventures in India World Changers is an inspiration for those who want to create something meaningful on their own It serves as both a celebration of entrepreneurial achievement as well as a practical handbook for everyone who dreams of starting his or her own world changing business Summary: The Southwest Airlines Way BusinessNews Publishing,2014-11-12 The must read summary of Jody Gittel s book The Southwest Airlines Way Using the Power of Relationships to Achieve High Performance This complete summary of the ideas from Jody Gittel s book The Southwest Airlines Way tells the standout success story of the US airline industry In her book the author describes the accomplishments of Southwest Airlines and explains how most attempts to copy Southwest have focused solely on operational issues However despite following these same strategies no other airline has yet been able to successfully clone Southwest s success This summary provides readers with an insight into the secret sauce of Southwest and all of the operational factors that come together to ensure its success Added value of this summary Save time Understand key concepts Expand your knowledge To learn more read The Southwest Airlines Way and discover the secrets behind the success of this major airline company *Mastering Community* Christine Porath,2022-03-08 From the author of Mastering Civility a thoroughly researched exploration of the impact and importance of building thriving communities with actionable steps on how to create them in your work and broader life In her powerful new book Christine Porath explores how the rise of technology and modern workplace practices have fractured our communications yet left us always on digitally Through now common practices like hot desking and remote work even without the added isolation of social distancing we experienced during the pandemic our human interactions have decreased and so too have our happiness levels This lack of a human factor is sparking a crisis in mental health that will have repercussions for years to come leaving people lonelier and making the bottom line suffer too What Christine has discovered in her research is that leaders organizations and managers of all stripes may recognize there is a cost but have no idea as to implement the cure Community With her signature depth and grasp of research across myriad industries including business healthcare hospitality and sports Christine extrapolates from the statistics on the experiences of hundreds of thousands of people across six continents to show us the potential for change Through sharing information about the community empowering decision making discretion and autonomy creating a respectful environment offering feedback providing a sense of meaning and boosting member well being anyone can help a community truly flourish The applications are endless the stories are positive and uplifting and will inspire the reader to establish and grow their community be it in the workplace or the PTA and make it thrive Organizational Behavior Fred Luthans,Brett C. Luthans,Kyle W. Luthans,2021-01-01 Contrary to the common saying we do want you to

judge this new edition of Organizational Behavior by its front cover Specifically featured is that this is the 14th edition it takes an Evidence Based Approach and similar to the previous edition there are now three Luthans authors This 14th edition is based on the foundation provided by the first mainline text which has become the classic for the study and understanding of organizational behavior However by taking an evidence based approach this insures that even though a classic this new edition adds the most recent and relevant research to the most extensive up to date reference base of any organizational behavior text By adding the two closely related authors professor sons literally pumps new blood into the sustainability of this classic text by Fred Luthans Importantly Fred has recently been recognized with 1 Lifetime Achievement Award in Organizational Behavior 2 Top 1% of Citation Count of all researchers in the world and 3 the 1 most cited author in Organizational Behavior textbooks Finally this new edition recognizes that even though the theoretical framework and coverage largely remains the context of organizational behavior is rapidly changing This new edition reflects the New Age environment but still holds to the premise that in today s organizations success and competitive advantage still comes from the understanding prediction and effective management of human resources With this new edition we invite you to continue the never ending journey guided by the best organizational behavior theory research and application *The New Era of the CCO* Roger Bolton, Don W. Stacks, Eliot Mizrahi, 2018-01-24 The role of the chief communication officer CCO in today s enterprise has dramatically changed over the past 30 years Once focused on getting news out to media outlets today s CCO has become an integral part of any enterprise company corporation governmental and nongovernmental entity Today s CCO is responsible for internal and external communication with creating and implementing communication strategies that help mold enterprise mission vision value and character and with building enterprise reputation through stakeholder engagement As a part of the C Suite the CCO must understand not only the psychology and sociology of the business but also the role that she has in informing the C Suite and the chief executive officer what internal and external stakeholders are thinking and how this may affect corporate image in terms of credibility confidence trust relationship and reputation In short the new CCO must understand both the science and the art of communication and apply that knowledge to advancing her enterprise s goals and objectives through a faster and ever larger reaching set of media *The Guru Guide to Entrepreneurship* Joseph H.
