

Accounting Study Guide 4-5

Chapter 4

Income Statement: statement of income or statement of earnings

- Measures the success of a company's operations for a given period of time

Determines:

1. Profitability
2. Investment Value
3. Credit Worthiness

Helps Users:

- Evaluate past performance (confirmatory)
- Predict future performance (predictive)
- Assess the risk or uncertainty of achieving future cash flows

Limitations:

→ companies omit items that could affect future performance (unrealized gains/losses from certain investments, no measure for brand value)

→ affected by the accounting methods employed (LIFO vs. FIFO, depreciation)

→ Involves judgement: estimates are used

- Depreciation, bad debt expense

Quality

- Users rely on income statement information to make investment and credit decisions
 - Based on *trust* and *faith* on the numbers
 - Assumes the earnings are sound of **quality** and are **reliable** (faithfully represented)

Elements of the Income Statement

1. Revenues
2. Expenses
3. Gains
4. Losses

*transaction approach

Revenues (Operating and Non-Operating)

Operating

→ Inflows of economic resources during a period for

- Services Rendered (Operating Revenue)
- Sale and Delivery of Goods (Sales Revenue)

→ Revenue can only be recognized once the performance obligation of a contract with a customer is satisfied by the company

Non-Operating

→ inflows not directly related to the major operation of a company (EX: dividend revenue from investing)

Expenses

Operating

→ outflows or other using up of economic resources as a result of

- Selling and delivering goods
- Providing services

EX:

Cost of Goods Sold

Depreciation

Rent

Salaries and Wages

Taxes

Non-Operating

→ outflows not directly related to the major operation of a company (EX: Interest Expense)

Gains and Losses

Gain

→ Increases in Equity from peripheral or incidental transactions

Loss

→ decreases in equity from peripheral or incidental transactions

These can result from:

- Sale of investments or plant assets
- Settlement of liabilities
- Write-offs of assets
