began to pound I couldn't remember how I'd gotten here I'd been having dinner with Kyra and then blackness I tried to move but my body refused to shift as pain once again burned at my arms and legs It's no use my girlfriend said from somewhere behind me I froze the panic clawing at my mind easing slightly If Kyra was here well things couldn't be all that bad at least I tried to crane my head but found I could barely twist it I could just make out my hand in the peripheral of my vision I frowned Something was wrong I mean yeah I could see that my wrist was lashed down to something but my fingers seemed off barely seen out of the corner of my eye I'm not sure why but that sent my heart into an icy spiral right down into my stomach Something was dreadfully off Kyra stepped around lit by the gentle glow of candles from the side By eyes bulged She wore a pleated skirt that drifted just above her knees a brilliant white shirt buttoned across her small breasts She smiled at me a gentle shake of her head setting her twin pigtails dancing My girlfriend slid away from me to something taller than her covered by a sheet Happy birthday David she said Her coy smile widened You said you wanted different Her hand flicked out and tore the sheet down revealing a tall free standing mirror My breath caught and my mind fled My eyes saw my reflection but didn't register what they saw A beautiful woman stared back at me lashed down to an X shaped wooden form in the center of our basement She was naked the curves of her luscious body lit by the warm glow of the candles set about the room revealing every tantalizing and delicious detail Thick ropes bound her wrists and ankles to the form with a cloth gag tied stuffed into her mouth and tied behind her head I blinked in shock The woman blinked back Oh crap I thought **Gender**
