The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles

and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health **Love's Enduring Promise (Love Comes Softly Book #2)** Janette Oke, 2003-11-01 Tragedy brought them together but love bound them into a family Clark

Love's Enduring Choices! Sandi Lorraine,2012-03-20 Twenty five year old Cassie Foster grew up knowing that someday she would inherit her grandparents fifteen hundred acre ranch and that they expected her to carry on with its legacy But her staying on the ranch wasn't part of the plans that her high school sweetheart Ethan King had in mind for his future So he had left her heart broken and vowing that she would never let herself be hurt again by falling in love with someone But then Chad Benson a half blooded native American walked into her life unexpectedly and just happened to be on the scene the day her grandfather died She found him easy to talk to easy to lean on and easy to trust so instead of searching for a hired hand to help her she accepted his offer to become a partner in helping her manage the ranch for a share of the profits The one thing Cassie hadn't planned on was the return of Ethan with his intentions of winning her back and doing anything that was necessary to make her give up the ranch so she would go to Colorado with him which included creating conflict between her and her new partner

The Local preacher's treasury, ed. by J. Bate John Bate, 1884 Sunrise Grace Livingston Hill, 2015-10-01 Trouble has a way of finding Jason Whitney and only his sister Joyce and the pastor's daughter Rose see any good in him So when he is fired from the bank the same day it is robbed the blame quickly falls to him The Eclectic Magazine of Foreign Literature, Science, and Art, 1883 **Son of the Shadows: A Sevenwaters Novel 2** Juliet Marillier, 2008-11-01 WINNER OF THE AUREALIS AWARD FOR BEST FANTASY NOVEL The second book in the epic and compulsively readable Sevenwaters series Son of the Shadows follows the trials of the next generation at Sevenwaters and continues the struggles between the Irish and British that began in Daughter of the Forest After years of happiness darkness has fallen upon Sevenwaters Trouble is brewing and leaders are being called into strategic alliances to defend their land There are some who blame the Britons of Northwoods for as long as the Islands home of mystic caves and sacred trees are lost there can be no peace and there are some who believe the enemy are much closer to home Liadhan with her gift of Sight and healing hands seems to hold the key For she exists outside the pattern and she alone seems to have the power to change it How close are love and hate and yet how unlike PRAISE FOR SON OF THE SHADOWS A wonderful riveting story Barbara Erskine Beautifully written a sparkling saga of a family whose destiny is to help free Erin from British tyranny Publishers Weekly Fans of Marion Zimmer Bradley Isobelle Carmody and Robin Hobb will love Juliet Marillier *Christian Advocate and Journal and Zion's Herald*, 1899 **Christian Life God's Way** Larry Harmsen, 2022-08-01 Larry has come to understand that there are two basic ways that the Bible can be taught The first is the most prevalent It consists of telling the Christian the things that he or she should

be doing and the things that he or she should not be doing sometimes accompanied with relatively meaningless ways of doing or not doing these things The second way to teach the Bible is to teach it by revealing what God says in the Bible which we call expository preaching or teaching I am very much in favor of expository teaching If a Christian is taught the Bible not taught about the Bible but actually taught to understand God and God's desire to live in and through us in a fulfilling meaningful way the Christian will be able to determine for him or herself what to do or what not to do as it becomes a part of the person's life rather than just something added to the person's life If living the vibrant Christian life through knowing God and His Word becomes the desire and goal of the Christian life learned from the Holy Spirit through God's Word that inner force becomes an external force far more useful to God than being told what to do or what not to do That desire to teach Christians in a way to build that inner force of God through knowing Him has been mine for many years This book contains Bible studies to help develop that inner force that is only by grace **The Pen Will Write The Way** MaryLou
