Where I Live Eileen Spinelli:

Where I Live Eileen Spinelli, 2007 In a series of poems Diana writes about her life both before and after her father loses his job and she and her family move far away to live with Grandpa Joe **Where I Live** Eileen Spinelli, 2007-06-21 Diana loves where she lives She loves the astronomy charts on her walls and the fact that she can wave to her best friend Rose from her very own window And best of all a wren has recently made its home right by her front door When her family is forced to move Diana wonders if she'll ever find that same grounded and happy feeling again This gentle and ultimately redeeming story in poems is about those secure and fulfilling friendships that happen naturally and easily when you live right next door and the struggles of losing the comfort of a familiar place Matt Phelan's warm and expressive illustrations perfectly complement Eileen Spinelli's tenderhearted and unique tale that reminds us that sometimes a little uprooting and change is necessary for growth Together at Christmas Eileen Spinelli, 2012-09-01 2013 Best Children's Books of the Year Bank
