The Last Good Day of the Year Jessica Warman, 2015-05-19 Ten years ago seven year old Samantha and her next door neighbor Remy watched helplessly as Sam's little sister was kidnapped Later Remy and Sam identified the man and he was sent to prison Now Sam's shattered family is returning to her childhood home in an effort to heal As long buried memories begin to surface she and Remy wonder what they really saw The more they re-examine the events of that fateful night the more questions they have about what happened to Turtle and they become more certain that Turtle's killer is still out there hidden amongst the members of their tight knit community Master storyteller Jessica Warman keeps readers guessing in an arresting page turner that questions whether the potential for evil lurks within us all

Repeat After Me Jessica Warman, 2024-09-03 She's about to have a serious temporal tantrum In retrospect I probably should have passed on the ceviche It was already a weird Friday My class is stuck on an eerily remote island for our senior trip I'm pretty sure Mr D call me Max is hiding something from us my ex best friend turned nemesis keeps stealing my candy and tonight's plan for my boyfriend and me to finally lose our virginity to each other is going hellishly I mean ceviche is delicious don't get me wrong But a dish made from a supposedly immortal octopus should really come with a warning label Caution consuming a telepathic sea creature of unknown origin may result in immortality no consequences to any actions and getting stuck in a time loop for

all of eternity Now every morning I wake up and it s the same Friday all over again Same annoying classmates Same island suspended in time by an evil oyster farmer with a God complex Same outrageous candy theft The only person I can count on to keep me from losing my grip on this new reality is Louis my best friend who knows me better than anyone else in this world This should be a cephalopod induced nightmare but somehow in some ridiculous way I feel like I m experiencing the extraordinary the gift of endless opportunities to get things right But when I wake up every morning and it s Friday again sometimes it feels more like a never ending prison sentence They say some things are worse than death guess I m about to find out At Entangled Teen we care about our readers experience Please be advised that this title is intended for ages 17 and may not be suitable for all audiences **Breathless** Jessica Warman,2010-08-31 At boarding school Katie tries to focus on swimming and becoming popular instead of on the painful memories of her institutionalized schizophrenic older brother
