Manley,2013-06-13 My book is my autobiography it is told in a short story form all about the highs and the many lows I experienced and the decisions I made that propelled me to both my successes and my many failures that I reached out seeking to find I always hoped for the best I expected I might find the very worst and usually it would fall somewhere in between that way I was seldom if ever disappointed I always tried to treat people I met with the same respect as I wanted them to show to me in return I know I could have done better than I did most times but I truly never took LOVE lightly nor did I tell women I met that I loved them just because it was convenient to do so I often tried to express my feelings the best way I could with most of the poetry I wrote with honesty and a sincere amount of humility and inspiration If I could change only one thing in my life I would try to have been a better roll model to my kids and to have been a better father and grand pa My book covers a one of a kind story of my meeting and beating Evel Kneivel at his own game twice and my struggle with alcohol my Serious Gambling addiction and my Deadly fight with Cancer For Those of Us Waiting on That Day!
