Anderson,Kathryn G. Herr,2007-04-13 This is an important historical period in which to develop communication models
aimed at creating opportunities for citizens to find a voice for new experiences and social concerns Such basic social
problems as inequality poverty and discrimination pose a constant challenge to policies that serve the health and income
needs of children families people with disabilities and the elderly Important changes both in individual values and civic life
are occurring in the United States and in many other nations Recent trends such as the globalization of commerce and
consumer values the speed and personalization of communication technologies and an economic realignment of industrial
and information based economies are often regarded as negative Yet there are many signs from the WTO experience in
Seattle to the rise of global activism aimed at making biotechnology accountable that new forms of citizenship politics and
public engagement are emerging The Encyclopedia of Activism and Social Justice presents a comprehensive overview of the
field with topics of varying dimensions breadth and length This three volume Encyclopedia is designed for readers to
understand the topics concepts and ideas that motivate and shape the fields of activism civil engagement and social justice
