White Walls Designer Dresses By Mit Press:

White Walls, Designer Dresses Mark Wigley, 2001-08-24 In a daring revisionist history of modern architecture Mark Wigley opens up a new understanding of the historical avant garde He explores the most obvious but least discussed feature of modern architecture white walls Although the white wall exemplifies the stripping away of the decorative masquerade costumes worn by nineteenth century buildings Wigley argues that modern buildings are not naked The white wall is itself a form of clothing the newly athletic body of the building like that of its occupants wears a new kind of garment and these garments are meant to match Not only did almost all modern architects literally design dresses Wigley points out their arguments for a modern architecture were taken from the logic of clothing reform Architecture was understood as a form of dress design Wigley follows the trajectory of this key subtext by closely reading the statements and designs of most of the protagonists demonstrating that it renders modern architecture's relationship with the psychosexual economy of fashion much more ambiguous than the architects endlessly repeated rejections of fashion would suggest Indeed Wigley asserts the very intensity of these rejections is a symptom of how deeply they are embedded in the world of clothing By drawing on arguments about the relationship between clothing and architecture first formulated in the middle of the nineteenth century modern architects in fact presented a sophisticated theory of the surface modernizing architecture by transforming the status of the surface **White Walls Designer Dresses** shows how this seemingly incidental clothing logic actually organizes the detailed design of the modern building dictating a system of polychromy understood as a multicolored outfit The familiar image of modern architecture as white turns out to be the effect of a historiographical tradition that has worked hard to suppress the color of the surfaces of the buildings that it describes Wigley analyzes this suppression in terms of the sexual logic that invariably accompanies discussions of clothing and color recovering those sensuously colored surfaces and the extraordinary arguments about clothing that were used to defend them [White Walls, Designer Dresses](#) Mark Wigley, 1995

How Architecture Learned to Speculate Mona Mahall, Asli Serbest, 2009 For the first time the speculative in architecture becomes a topic of critical research It is investigated not as idealistic but as strategic acting within endless modernity This modernity implies that speculation as strategic acting is not only applied to economic but also to political and aesthetic values Values become mobile valuations become a play with highs and lows authors architects become winners or losers and culture becomes fashion Includes projects by NL Architects MVRDV Aristide Antonas FAT Ralf Schreiber Pascual Sisto Ant Farm Caspar Stracke OMA JODI Kevin Bauman and others From publisher's website **Dress History** Charlotte Nicklas, Annebella Pollen, 2015-10-22 The field of dress history has experienced exponential growth over the past two decades This in depth investigation examines the expanding borders and porous boundaries of the discipline today outlining key debates and showcasing the most exciting research With international case studies from a wide range of scholars the volume encompasses work from a variety of historical periods from the late 18th century to the present day Contributors examine

Norman Bel Geddes Nicolas P. Maffei, 2018-02-22 Norman Bel Geddes has long been considered the founder of American industrial design During his long career he worked on everything from theatre design world fairs and cars to

houses and product and packaging design Nicolas P Maffei's magisterial biography draws on original material from the archive at the Harry Ransom Center University of Texas at Austin and places Bel Geddes' work within the fast changing cultural and intellectual contexts of his time Maffei shows how Bel Geddes' futuristic but pragmatic style his notion of practical vision was central to his work and highly influential on the professional practice of American industrial design in general

House of Fashion Jess Berry, 2018-07-12 Since Charles Fredrick Worth established his luxurious Maison de Couture in 1858 the interior has played a crucial role in the display of fashion House of Fashion provides a full historical account of the interplay between fashion and the modern interior demonstrating how they continue to function as a site for performing modern gendered identities for designers and their clientele alike In doing so it traces how designers including Poiret Vionnet Schiaparelli and Dior used commercial spaces and domestic interiors to enhance their credentials as connoisseurs of taste and style Taking us from the early years of haute couture to the luxury fashion of the present day Berry explores how the salon the atelier and the boutique have allowed fashion to move beyond the aesthetics of dress to embrace the visual seduction of the theatrical artistic and the exotic From the Art Deco allure of Coco Chanel's Maison to the luminous spaces of contemporary flagship stores House of Fashion sets out fashion's links with key figures in architecture and design including Louis S e Robert Mallet Stevens Eileen Gray and Jean Michel Frank Drawing on photographs advertisements paintings and illustrations this interdisciplinary study examines how fashionable interiors have shaped our understanding of architecture dress and elegance

Architecture and Choreography Beth Weinstein, 2024-05-31 Architecture and Choreography Collaborations in Dance Space and Time examines the field of archi choreographic experiments unique interdisciplinary encounters and performed events generated through collaborations between architects and choreographers Forty case studies spanning four decades give evidence of the range of motivations for embarking on these creative endeavors and diverse conceptual underpinnings generative methods objects of inquiry and outcomes Architecture and Choreography builds histories and theories through which to examine these works the contexts within and processes through which the works emerged and the critical questions they raise about ways to work together sites and citations ethics and equity control and agency Three themes frame pairs of chapters The first addresses disciplinarity through works that critically reflect upon their discipline's tools techniques and conventions juxtaposed against projects that cite or use other art forms and cultural phenomena as source material The second interrogates space and the role of spatial dispositifs institutions and sites and their hidden and not so hidden conditions as conceptual drivers and structures to subvert trouble unsettle remember The third asks who and what dances finding a spectrum from mobilized architectural bodies to more than human cybarcorps Modes of collaboration and the temporalities and life cycles of projects inform bookending chapters Architecture and Choreography offers vital lessons not only for architects and choreographers but also for students and practitioners across design and performance fields

Fashion in European Art Justine De

Young,2017-05-30 Fashion reveals not only who we are but whom we aspire to be From 1775 to 1925 artists in Europe were especially attuned to the gaps between appearance and reality participating in and often critiquing the making of the self and the image Reading their portrayals of modern life with an eye to fashion and dress reveals a world of complex calculations and subtle signals Extensively illustrated Fashion in European Art explores the significance of historical dress over this period of upheaval as well as the lived experience of dress and its representation Drawing on visual sources that extend from paintings and photographs to fashion plates caricatures and advertisements the expert contributors consider how artists and their sitters engaged with the fashion and culture of their times They explore the politics of dress its inspirations and the reactions it provoked as well as the many meanings of fashion in European art revealing its importance in understanding modernity itself *Oxymoron and Pleonasm Conversation on American Critical* Monika Mitasova,2021-04-29 Monika Mitasova interviewed an influential group of current American theorists historians and practitioners proposing critical and projective architecture respectively which forms the first book that brings those perspectives together to show the state of current critical and projective theory practice and new alternative actions of designing architecture Interviewed theorists Kenneth Frampton K Michael Hays Mark Wigley Mary Mcleod Beatriz Colomina Stan Allen Joan Ockman Robert Somol Sarah Whiting Michael Speaks Jeffrey Kipnis Sylvia Lavin **TransUrbanism** Joke Brouwer,Arjen Mulder,2002 TransUrbanism is urbanism plus transformation TransUrbanism is urbanism plus globalization The city is no longer a clearly localizable spatial unit but has transformed into an urban field a collection of activities instead of a material structure Cities today are in a state of continuous decomposition but are also continually reorganizing and rearranging themselves expanding and shrinking TransUrbanism is a design strategy that allows cities to organize themselves as complex systems where small local structures incorporate global flows BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Exhausting Dance Andre Lepecki,2006-07-13 The only scholarly book in English dedicated to recent European contemporary dance Exhausting Dance Performance and the Politics of Movement examines the work of key contemporary choreographers who have transformed the dance scene since the early 1990s in Europe and the US Through their vivid and explicit dialogue with performance art visual arts and critical theory from the past thirty years this new generation of choreographers challenge our understanding of dance by exhausting the concept of movement Their work demands to be read as performed extensions of the radical politics implied in performance art in post structuralist and critical theory in post colonial theory and in critical race studies In this far ranging and exceptional study Andre Lepecki brilliantly analyzes the work of the choreographers Jerome Bel France Juan Dominguez Spain Trisha Brown US La Ribot Spain Xavier Le Roy France Germany Vera Mantero Portugal and visual and performance artists Bruce Nauman US William Pope L US This book offers a significant and radical revision of the way we think about dance arguing for the necessity of a renewed engagement between dance studies and experimental artistic and philosophical practices Fashion Crimes Joanne Turney,2019-07-25 Fashion is

widely recognised as a site for social acceptance and rejection and as a signifier of personal identity What happens when people stray from appropriate dress codes or associate garments with respectability or deviance How does fashion relate to criminality In this interdisciplinary volume leading scholars propose new ways of seeing everyday dress and the body in public space Garments and individual or group wearers are used as case studies to explore the codification of clothing as criminal hoodies trench coats Norwegian Lustkoffe sweaters low slung trousers and Hip Hop styling are all untangled as garments with criminal significance The book questions the point at which morality as a form of social control meets criminality and suggests ways to renegotiate established dress codes and terms such as suitability and glamour through the study of what people wear in response to notions of criminality **Modernist Eroticisms** A. Schaffner, S. Weller, 2012-09-27 This volume explores the impact of sexological and early psychoanalytic conceptions of sexual perversion on the representation of the erotic in the work of a range of major European modernists including Joyce Kafka Lawrence Mann Proust and Rilke as well as in that of some less well known figures of the period such as Dujardin and Jahnn
