Southern Baptist Churches Manual For Missions Committees:

The Organizations Set Up for the Control of Mission Union Higher Educational Institutions Ralph Dillingham Wellons, 1927 **Church Planting at the End of the Twentieth Century** Charles L. Chaney, 2013-01-01 More than 80 million Americans claim no church affiliation Only six other nations have a total population of more than 80 million Another 90 million who claim membership or affiliation don't attend church It is obvious that this many people will not be reached by existing congregations The answer More churches are needed Here is a book written by one of the nation's authoritative voices on church planting with both biblical and practical help for those who share his vision that the task of church planting rests not with denominational leaders but with the people and pastors of local churches **Southern Baptist Handbook**, 1922 **SBC FAQs** Keith Harper, Amy Whitfield, 2018-03-01 SBC FAQs provides a general overview of the Southern Baptist Convention in the format of frequently asked questions *Distinctively Baptist Essays on Baptist History* Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B. Buddy Shurden, distinctively Baptist church historian, teacher, preacher, author, Baptist apologist, and extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley's preface During some of the initial forays of our most recent and ongoing Fundamentalist-Moderate controversy there were days when I thought about changing denominations Shurden's works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives, our freedoms For so much more but especially for that understanding I am forever grateful Many students, Baptists in the pews, some at the pulpit or lectern, even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B. Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden, augmenting that already significant lifework Catalog of Copyright Entries, Third Series Library of Congress, Copyright Office, 1973 Union Catalog of the Graduate Theological Union Graduate Theological Union, Library, 1972 The SBC and the 21st Century Jason K. Allen, 2016-06-01 The Southern Baptist Convention is currently facing issues that challenge its identity, heritage, and future In *The SBC and the 21st Century*, key leaders including Jason Allen, Frank Page, Ronnie Floyd, Thom Rainer, Albert Mohler, Paige Patterson, David Platt, and Danny Akin address critical issues such as Will the SBC grow more unified around shared convictions and mission or will it fragment over secondary concerns and tertiary doctrinal differences Will the SBC be able to maintain a distinct Baptist identity while engaging and partnering with the broader evangelical community Will the SBC be willing to reimagine its structures, programs, and efforts to effectively reach the world for Christ or will it risk being a past-tense denomination This volume not only promotes meaningful dialogue it calls leaders throughout the SBC into action Extensive thought, research, assessment, and wisdom from some of the SBC's brightest minds have been poured into this
