Where You Missing You:

The Wind from Heaven's Window Pat Mitchell, 2013-11 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader It s been said that not all men are masters but all masters have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers Inspirations From High And Dry Places Shemika Robinson-Wilson, 2009-07 My book is a variety of poems short stories and inspirational scriptures and that has helped me along the way Actually the book points out some parts of my own testimony There are some prayers that I actually prayed on some days that I was down I want the readers to know that we have some up and down days but we will be o k if we just keep on going Even when we are feeling at our lowest god still provides us with his love and kindness and it is important to know that he will never leave us This book is directed to anyone who is seeking the lord also those who are currently walking with him but just need to be encouraged a bit to get through the day There may be something in the book that may stick with someone for the rest of their lives or perhaps share with some one that they know I wanted this to be contagious The book also backs up the statement of We may not be where we want to be but we are not where we used to be Precision Shooting James Russell, 1998 This technical book is crammed with hundreds of shooting instructions over 100 illustrations and 300 answers to trap shooting questions Highly endorsed by professional shooters and leading trap shooting magazines worldwide Red Head Julia Pylypenko, 2025-01-31 Julia Pylypenko is a young writer and scriptwriter in the field of PR She speaks English French and Italian In 2007 she became the world champion in singles and doubles tennis at the XVI World Championship for people with transplanted organs Bangkok Ten years ago Ukrainian doctors sentenced Julia to pass away by her eighteenth birthday This book is a diary and a confession where each line is not the author s imagination but real events from her life Julia s story takes us back to those days when it seemed to her that nothing could change when she did not recognize her face and body and her red hair looked purple in the mirror having changed color overnight With amazing frankness and optimism which in such circumstances seems incredible Julia tells us how she re learned to love life and enjoy it which becomes the most Important thing when you

are u are born again This book Is not just a story of the struggle between life and death it is also a story of love For a man for life for herself Have you ever wondered what you would do if it were the last day of your life Then this book is for you

McNeill's Code Bedford McNeill,1905 *Precious and Fragile Things* Debby Kruszewski,2022-11-11 Valerie left someone behind He was everything to her She was so in love so young Then her life was over She awoke in a new body never having a chance to mourn the previous one She struggled with understanding relationships and the roles people played in her life She never let go of the face of her love from the prior nor did she let go of the desire for him She spent years searching and yearning for himaEURthen she found him But it was too late Valerie discovered an outlet into the afterlife She bonded with her grandparents in heaven on earth she had no relationship with her own mother brother or sister She spoke to her grandparents through signs and symbols that got her through life s traumatic twists and turns She came to understand they all followed the same path of struggling with love relationships and the secrets they kept in search of these answers Valerie went from relationship to relationship never finding peace until she broke the cycle As with life this novel is about the journey not the destination **My Black Book- Vol.1** Kheneil A. Speaking Quay Young, 2016-09-14 Hypothetically Speaking is a book of poetry that I consider my adult journal. It is a collection of my heartfelt thoughts put to pen and collaboration of thoughts and conversations between my heart and the voices in my head. Hypothetically Speaking speaks of love that transcends time, searching for love, waiting for love, and even heartbreaking love that is no longer there.

My Heart Sings Jan Auggi Jones, 2017-11-29 This author appreciates writing poetry, novels, children's stories, the performing arts, and music of many genres. She was raised on gospel and country music played on an old Victrola phonograph with a black and white dog staring into a gramophone on the inside of the cover. Today this author has become enamored with and is fangirling over country a cappella music, which is relatively new. Curious about the behind-the-scenes activities of a successful band's life, living on the edge of temptations in today's media-frenzied world, she created a believable group running through life on unbelievable favor, spearheaded by love between a wealthy, incredibly intelligent and beautiful African American ballerina and a super-talented tenor from the deep South, and their unique way of overcoming racial issues with love. Murder, sex, and drugs fuel the life and romance of these two extraordinary, opposite characters living and excelling way above the normal expectations of life, hinting into the cosmic pluralism like no one has ever experienced before. This author spent thirty-five years in the busy, topsy-turvy support area of corporate America, starting with the FBI and ending in the legal field, before being forced to retire on disability. This is her first adult romance novel. She writes and has published poetry on poetry.com, with two poems published in anthologies. She was the author and publisher of Newsletters for Boy Scout Troop and Pack 731, The Indian Creek District, and for newsletters, service bulletins, and memorial programs for two churches. The author is a widow who lives in Waldorf, Maryland, with her son, daughter, law grandson, and grandpup, Toli.

The Mirror Margaret Safo (Mrs.), 2005-05-21 *I Prayed for Love-My True Love* Mt. Tee, 2023-01-18 As Mt. Tee mentioned in his first book titled *One Man's Love for One Woman*, all songs and poems were inspired by a recent breakup in his life. These books, which he titled *I Prayed for Love* and *My True Love*, are a continuation of the said relationship between him and the woman he has loved the deepest in his life and who he still loves till this day. He did everything he could do to make her happy and everything he could do to remain in her life. A true story of one man's love for one woman that went astray. Mt. Tee still thinks of the woman as each day passes. The memories of the love he feels for this woman keep him tied to the feelings he has. These two books in one will show the mixed feelings a relationship can cause when you love someone more than anything you could ever imagine in life.

Straight from the Heart Christina V. Montgomery, 2005-05 *Straight from the Heart* by Christina V. Montgomery reveals the many phases of marriage and the many faces of love in the form of poetry. This book can be a perfect gift for Valentine's Day, Weddings, or just for that special someone. It shows the nuances of relationships in very romantic and poetic ways. The poetry is at the same time very beautiful but also very realistic. It speaks about intimacy, unity, separation, reconciliation, fear, perseverance, fidelity, passion, and security in relationships.
