World's End Charlie Gere, 2022-03-29 A memoir and cultural history the World's End a West London area once home to bohemian artists and punk rock and now an outpost of neoliberalism Charlie Gere's

account of growing up in the World's End area of West London during the Cold War combines local history cultural history memoir and a strong sense of the apocalyptic Once a rundown part of Chelsea at the wrong end of the King's Road the World's End has long been a place for bohemian writers and artists including Turner Whistler Beckett Bacon and Bacon's muse Henrietta Moraes all of whom evinced an appropriate apocalyptic sensibility After World War II in which the area suffered severe bombing it became a center of the counterculture that emerged from what Jeff Nuttall called Bomb Culture formed by the threat of nuclear annihilation The famous boutique Granny Takes a Trip opened there in 1966 joined later on by Hung On You Puss Weber's Flying Dragon Tea Room and the commune Gandalf's Garden The area also featured trepanning aristocrats and pet lions among other eccentricities In the 1970s the World's End was the center of punk rock Gere's parents arrived as part of a wave of gentrification and Gere born and brought up there witnessed its social and cultural evolution As an adolescent he was traumatized by the prospect of nuclear war He has lived long enough to see the World's End now bearing the marks of out of control neoliberalism and its grotesque accompanying inequality But this too shall pass as worlds end
