Shapiro,2011-09-29 What if almost everything you know about creating a culture of innovation is wrong What if the way you are measuring innovation is choking it What if your market research is asking all of the wrong questions It s time to innovate the way you innovate Stephen Shapiro is one of America s foremost innovation advisers whose methods have helped organizations like Staples GE Telefunica NASA the U S Air Force and USAA He teaches his clients that innovation isn t just about generating occasional new ideas it s about staying consistently one step ahead of the competition Hire people you don t like Bring in the right mix of people to unleash your team s full potential Asking for ideas is a bad idea Define challenges more clearly If you ask better questions you will get better answers Don t think outside the box find a better box Instead of giving your employees a blank slate provide them with well defined parameters that will increase their creative output Failure is always an option Looking at innovation as a series of

experiments allows you to redefine failure and learn from your results Shapiro shows that nonstop innovation is attainable and vital to building a high performing team improving the bottom line and staying ahead of the pack *Emotionomics* Dan Hill,2010-10-03 I believe that emotion is where it s at Tom Peters For far too long emotions have been ignored in favour of rationality and efficiency but breakthroughs in brain science have revealed that people are primarily emotional decision makers Many companies have not yet accepted that fact much less acted on it In this fully revised edition *Emotionomics* will help you to understand emotions in terms of business opportunities both in the marketplace and in the workplace In today s highly competitive marketplace where many products look alike it is the emotional benefit that can make the difference At the same time companies with engaged productive work forces will undoubtedly achieve competitive advantage Dan Hill s book draws on insights gathered through facial coding the single best viable means of measuring and managing the emotional response of customers and employees to help you to leverage emotions for business success in terms of branding product design advertising sales customer satisfaction leadership and employee management Emotions matter and *Emotionomics* will help you to step closer to customers and employees but step ahead of your competitors *The Silver Market Phenomenon* Florian Kohlbacher,2008 The current shift in demographics aging and shrinking populations in many countries around the world presents a major challenge to companies and societies alike One particularly essential implication is the emergence and constant growth of the so called silver market the market segment more or less broadly defined as those people aged 55 and older Increasing in number and share of the total population while at the same time being relatively well off this market segment can be seen as very attractive and promising although still very underdeveloped in terms of product and service offerings This book offers a thorough and up to date analysis of the challenges and opportunities in leveraging innovation technology product development and marketing for elder consumers and employees Key lessons are drawn from the Japanese lead market as well as other select countries *Selling Your Crap Online* Caleb Lnenicka,2012-09-05 If you are the kind of person who likes to sell stuff on Craigslist but hates having to deal with the stupid people who shop on Craigslist then this book is your humorous Craiglist guide If you are the kind of person who just wants to read some really stupid stuff and laugh then this book is your escape from reality This is the true story of one man s quest to sell off virtually everything he owned on Craigslist within 2 months Being that this man lived a minimalist lifestyle for the most part he was selling his wife s stuff on Craigslist in many cases without her knowledge Dive into the drama and action in this fun filled tear jerker of a book The author has truly found the secrets to Craigslist Fortunately for everyone he isn t hoarding this information but rather sharing it with whoever wants to read it Just read what an NFL star is saying about this book I haven t been this excited about anything since hitting 4 field goals in a row at practice and Coach was right there to see them I mean RIGHT there Rian Lindell Placekicker Buffalo Bills
