## Whitsun Story For Children:

*Musical Times and Singing Class Circular*, 1915      *Whitsunday* Shirley McKay, 2016-05-19 A short story in the historical mystery series featuring a sleuthing lawyer in sixteenth century St Andrews Scotland When a regent of St Salvator s appears to lose his wits it falls to physician Giles Locke and lawyer Hew Cullan to discern the cause and to defend the college from the King s commissioners in this darkly comic mystery tale in the acclaimed series set in sixteenth century Scotland McKay is to be congratulated for the continued quality and inventiveness of her tales **The Children's Hour: Stories of legendary heroes**, 1907      *Children's Tales from Dickens - The Great Classics & The Wonderful Stories for Children (Illustrated Edition)* Charles Dickens, 2017-02-27      Stories of the Saints for Children. The Black Letter Saints Mrs. Molesworth, 1892      Church fasts and festivals, papers for children by E. Osborne [and others]., 1901      *The child and the Prayer book, elementary lessons on the Book of common prayer* John Dickenson (B.A.), 1901      *Stories on church going and church offices, by S.W. Cecilia Anne Jones, 1870      *Short stories [formerly Magazine of short stories].*, 1903      *'Seed to the sower', stories and lessons for Sundays, by Crona Temple* Clara Corfield, Crona Temple, 1875      Folk-lore and Folk-stories of Wales Marie Trevelyan, 1909      **The Musical Times and Singing-class Circular**, 1917      **Stories for the Christian year** Cecilia Anne Jones, 1876      Jackanapes ; Daddy Darwin's Dovecot ; The Story of a Short Life Juliana Horatia Ewing, 1896      Popular Children's Literature in Britain Julia Briggs, Dennis Butts, 2016-12-05 The astonishing success of J K Rowling and other contemporary children s authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children s books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children s preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they considering the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success      **Healing Stories for Challenging Behaviour** Susan, 2012-12-07 *Healing Stories for Challenging Behaviour* brings together the fruits of Susan Perrow s work in storymaking It is richly illustrated with lively anecdotes drawn from parents and teachers who have discovered how the power of story can help resolve a range of common childhood behaviours and situations such as

separation anxiety bullying sibling rivalry nightmares and grieving      *The Brontes* John Cannon,2011-10-21 What was the nature of the Brontes strange genius Where did it spring from and what inspired it Patrick Bronte father of the Bronte sisters came from Ireland changing his name from Brunty to Bronte when he won a scholarship to Cambridge His children never met their Irish relatives and Patrick was deliberately vague about his origins because of this little has been known about the family s story is every bit as strange and romantic as those penned by the sisters in their classic novels      **Kilvert's Diary 1870-1879 - Selections from the Diary of the REV. Francis Kilvert** William Plomer,2013-04-18 SINCE its first appearance in three volumes 1938 40 Kilvert s Diary has become established as a minor classic Its recognized place among the very best of English diaries has been gained by special qualities It is the work of a man with a watchful eye and a clear style Kilvert has the uncommon gift of making one see vividly what he describes His detailed picture of life in the English countryside in mid Victorian times is unmatched and every sentence he writes helps to build up a self portrait so personal and intimate that one gets to know him like a friend Kilvert reveals himself as an essentially modest innocent truthful and unworldly young man sociable and with a strong love of life and of landscape with a sense of drama and a good vein of humour His life was strongly affected by two things his susceptibility to the beauty of young women and girls and his lack of money and of what used to be called prospects As a faithful country clergyman he moved with equal ease among people of both the landowning and labouring classes and by both was welcomed equally His good nature and good manners his vitality his love of children and his practical sympathy with the unfortunate won him much affection If he did not question the values of his own class he was never indifferent to sufferings which they permitted and did what he could with his evidently magnetic presence and voice to lessen those sufferings He knew that not far from the convivial and copious dinners and picnics the lively croquet and archery parties could be found loneliness squalor and hunger and sometimes murders and suicides
