will discover a way of communicating with the universe the signs of God as well as a new form of thinking spiritual thinking By interacting with the Universe we communicate with God and God is THE ONLY ONE in the Universe WHO can give us the best advice regarding our choice to build up our destiny and secure ourselves with a sound and continuous evolution

Spiritual Interpretations Roosevelt Jackson, 2014-11-26 The reason why readers would be so interested is because of the spirituality Learning the spiritual side of life how good God really is and how to include the word of God into the equation in every area of their lives whether it be financially physically mentally by faith in which we walk by Faith is simply believing that God is our source and not the world economy To understand that God has given us very things that we need to accommodate us in this life Most things we can do for ourselves because of the abilities that God has bestowed upon us but the Heavenly things we have to declare and decree from Heaven such as when we pray whatsoever we pray for believe that we already received them and then you will have them You have to trust God first before you receive whatever it is that you ask for in Jesus name It is always have to be in Jesus name if not in Jesus name then you might have a delay you see that s how the gospel works Jesus died for us to have the things that we are so deserving of all we have to do is believe it declare it and decree it and it shall be given to us But if you dont spend time in the word of God then you have no clue what to expect you have no knowledge of all the promises that God said yes to there is over seventy seven hundred promises in the Bible that God said yes to we just have to believe and say yes to them in order to receive the promises of God you see it s simple when you know the word of God for your lives I ve study the word of God for the last ten years of my life So I am a witness to the fact And here s another fact I use to wake up every morning with back pain I would stumble to my feet but once I d reach for my bible and started to read it before I could get through the first paragraph the pain had vanished Once I d learn how to pray and study the bible I haven t taken a pain pill since February of 2010 I would like for everyone to experience the goodness of God and the example of Jesus Christ our Lord and Savior If only I knew back then what I know now I would have been committed myself to Jesus I just pray that everyone will learn to give their lives over to Jesus So that s how much I think that my book will be an inspiration to others So yes I am completely satisfied with my work so I approve it in every way for publishing I thanked God for giving me the strength to endure the last two and a half years to complete this book it has been a blessing and honor to credit this book to God Almighty My way of showing appreciation for all that God has done for me in my life So there you have it Thanks for the word Roosevelt Jackson Bless you all In Jesus name Until next time
