The Pauline Effect Jennifer R. Strawbridge,2015-11-13 This study offers a fresh approach to reception historical studies of New Testament texts guided by a methodology introduced by ancient historians who study Graeco Roman educational texts In the course of six chapters the author identifies and examines the most representative Pauline texts within writings of the ante Nicene period 1Cor 2 Eph 6 1Cor 15 and Col 1 The identification of these most widely cited Pauline texts based on a comprehensive database which serves as an appendix to this work allows the study to engage both in exegetical and historical approaches to each pericope while at the same time drawing conclusions about the theological tendencies and dominant themes reflected in each Engaging a wide range of primary texts it demonstrates that just as there is no singular way that each Pauline text was adapted and used by early Christian writers so there is no homogeneous view of early Christian interpretation and the way Scripture informed their writings theology and ultimately identity as Christian **An**

Apology for the Christian Divinity Robert Barclay,1850 **The British Friend** ,1846 The Spiritual Journey of a Coptic Christian Brain Surgeon: Views and Reflections Ramsis F. Ghaly MD,2018-11-09 Deeper and deeper as the human spirit roams with fascination unto Divinity Never enough roaming This is my eleventh book of Christianity and the human brain As a neurosurgeon for thirty years I have found unlimited bonds between the Christian Divinity and the human brain My neurosurgical humanity eagerly desires to explore Divinity Since my childhood goes back decades and is deeply rooted I meditate with my Christian brain searching for common understanding of spirituality in humanity It is hard to describe this through each book and I find myself seeking more Divine clarifications My meditation is achieved thorough reading the Holy Bible with my neurosurgical human brain I try to peel my deep thoughts layer by layer as if I am dissecting the human brain in neurosurgery in actual life The book touches on many timely aspects of our human life with personal spiritual views and poems The book consists of Twelve major Sections and each section ranges from 8 to 23 chapters with total of 137 chapters The main sections include My Christian Dreams in Neurosurgery Monasticism in My Life Mothers and Children Angels Living Human Brains and Spirituality Jesus Love The Persecuted Christ and Christ Followers Royalty and Heavens with Jesus Last Hours in humanity Spiritual Reflections Views and Poems Law and the Spirit Sacred Medicine and Patients Testimonials As a

Coptic Christian from Egypt I was raised in keeping up with strong Christian Orthodox practice in daily living Perhaps the strength of the book is incorporating Jesus the Almighty God in everything I do not only in daily living but also with my patients in Neurosurgery practice There is a dire need of such a book especially in an era where Christianity continued to be persecuted worldwide and denied in a daily basis as evidenced through public restraining of Lord Jesus Christ in our daily life The human brain and Neurosurgery are in Jesus God as Christ the Lord is in human brain and Neurosurgery I hope for the reader to find spiritual use of the book and a closer relationship to our Holy Trinity God the Father the Son and the Holy Spirit
