Dear Editor,

I boarded the bus at 8:00 p.m. There were already about 16 passengers inside the bus. The driver closed the doors, switched off the air conditioner and went off to talk to someone outside the bus. I knocked on the door to ask the driver to switch on the air conditioner. The driver came over, opened the door and angrily shouted at me to get out. He also ordered all the other passengers to get out.

Is this the way to treat the public?

Party Status to Armed Conflict in International Law Alexander Wentker,2024-06-26 The question of what constitutes an armed conflict has featured prominently in international law debates However international lawyers have paid less attention to the inextricable question of who is engaged in a conflict focusing solely on whether there is an armed conflict Against this backdrop Alexander Wentker s *Party Status to Armed Conflict in International Law* explores why it matters and how it is established that a State international organization or armed group is a party to an armed conflict The first part of the book demonstrates that party status is central at all levels of the international legal regulation of armed conflicts with parties to armed conflict being both key addressees of international law and central reference points for regulating individuals and third parties In response to increasingly widespread cooperation practices the book s second part advances an analytical framework for identifying parties to conflicts with multiple parties on the same side or co parties

Party Status to Armed Conflict in International Law is aimed at academics students and practitioners seeking to understand how armed conflicts are legally regulated It presents readers with a refined account of how responsibilities are allocated in armed conflicts enabling deeper insight into how international law can best respond to the realities of contemporary conflicts
