

SPM SAMPLE OF ESSAYS - CONTINUOUS WRITING

SECTION B: CONTINUOUS WRITING: 50 MARKS

CONTINUOUS: ARTICLE: Description on a Person

A Prominent Malaysian Leader

As the fourth and most dynamic Prime Minister of Malaysia, Tun Dr. Mahathir bin Mohamad will **indelible** impression on the sands of Malaysia for many years to come. He held the post for 22 years from 1981 to 2003, making him Malaysia's longest-serving Prime Minister, and one of the longest-serving leaders in Asia.

Born on 20th December, 1925 in Alor Setar, Dr. Mahathir is the son of a teacher. He is the youngest of nine children of a school teacher and a housewife. His father, Mohamad Iskandar, was of Indian descent, being the son of a Muslim and a Malay mother, while Mahathir's own mother, Datin Wan Tempawan Wan Hanafi, was Malay. He is married to Tun Dr. Siti Hasmah binti Haji Mohamad Ali, they have seven children, four sons and three daughters. From an early age, Tun Mahathir had the importance of education **drummed** into him by his father, who was also a strict disciplinarian.

After his early education at the Maktab Sultan Abdul Hamid in Alor Setar, he enrolled at the King Edward VII College of Medicine in the University of Singapore. Armed with a MBBS degree in medicine, he set up his own clinic, the Maha Clinic in Alor Setar. As a doctor, Tun Mahathir came into close contact with people from variety of social **strata** and enjoyed a close **rapport** with them. He understood their problems. Thus, when he was thrust into the politic **limelight**, he strove to fulfil the needs of the people.

He was first **catapulted** into the world of politics when he became the Member of Parliament for Alor Setar in 1964. After holding a number of portfolios, including Minister of Education, Minister of Trade and Industry and Deputy Prime Minister, he finally became the Prime Minister on 16th July, 1981. The country **flourished** with Dr. Mahathir at the **helm** of the government. His contributions to the nation are so immense and **par** excellence. He has left his mark in every aspect – in politics, economy or education.

Realizing that government-owned enterprises are neither efficient nor profitable, he initiated the privation policy in 1983. This had immediate effect of cutting down bureaucratic **ineptitude** and operational cost while at the same time generating more revenue.

With collapse of the prices of agricultural commodities in the eighties, Tun Mahathir decided that it was time to shift the nation's focus to more profitable areas. Thus, he started the industrialization programme. Reputed as the country's top salesman, he showcased Malaysia to investors abroad in a bid to **woo** them. As a result of the heavy industrialization drive, major projects like national car project or PROTON and the steel company, PERWAJA, together with other mega project were launched one after another. Next, realizing that industrialization would require a good infrastructure, he set about improving it. The Mahathir era saw a successful completion
