Terence Scully, 2011-01-22 Bartolomeo Scappi c 1500 1577 was arguably the most famous chef of the Italian Renaissance. He oversaw the preparation of meals for several Cardinals and was such a master of his profession that he became the personal cook for two Popes. At the culmination of his prolific career, he compiled the largest cookery treatise of the period to instruct an apprentice on the full craft of fine cuisine: its methods, ingredients, and recipes. Accompanying his book was a set of unique and precious engravings that show the ideal kitchen of his day, its operations, and myriad utensils, and are exquisitely reproduced in this volume. Scappi's *Opera* presents more than one thousand recipes along with menus that comprise up to a hundred dishes while also commenting on a cook's responsibilities. Scappi also included a fascinating account of a pope's funeral and the complex procedures for feeding the cardinals during the ensuing conclave. His recipes inherit medieval culinary customs but also anticipate modern Italian cookery with a segment of 230 recipes for pastry of plain and flaky dough, torte, ciambelle, pastizzi, crostate, and pasta, tortellini, tagliatelli, struffoli, ravioli, pizza. Terence Scully presents the first English translation of the work. His aim is to make the recipes and the broad experience of this sophisticated papal cook accessible to a modern English audience interested in the culinary expertise and gastronomic refinement within the most civilized niche of Renaissance society.

The Fish Store Lindsey Bareham, 2013-09-19 A renowned food writer's personal cookbook for her sons became this classic collection of simple seafood recipes and much more from around the world. When her sons inherited their father's childhood home in a Cornish fishing village, formerly a commercial building for storing and packing pilchards, renowned food writer Lindsey Bareham decided it was important to record some of the recipes and memories from this extraordinary place. It started as a notebook for her sons with lists of favorite ways to cook mackerel, monkfish, and sole, as well as how to make mayonnaise to go with the gift of a handsome crab or crayfish. But soon it grew to become this very special book full of recollections and anecdotes and fabulous holiday food. Although the setting is of England, Bareham's recipes draw on influences from around the world, including Portugal, Portuguese Cabbage Soup with Rosemary, Bruschetta, Italy, Red Mullet Wrapped in Parma Ham with Garlic and Rosemary, and Turkey Spiced Aubergine Salad with Cumin. There are chapters on eggs, chicken, lamb, vegetables, and of course puddings, alongside a wonderful collection of recipes for fish of all kinds. This is a cookbook classic that food lovers will enjoy reading as much as they enjoy cooking and eating its wonderful creations.
