The New Politics of the Textbook Heather Hickman, Brad J. Porfilio, 2012-10-29 In an era when corporate and political leaders are using their power to control every aspect of the schooling process in North America there has been surprisingly little research on the impact of textbook content on students The contributors of this volume and its partner *The New Politics of the Textbook* Problematizing the Portrayal of Marginalized Groups in Textbooks guide educators school administrators academics and other concerned citizens to unpack the political social and cultural influences inherent in the textbooks of core content areas such as math science English and social science They urge readers to reconsider the role textbooks play in the creation of students political social and moral development and in perpetuating asymmetrical social and economic relationships where social actors are bestowed unearned privileges and entitlements based upon their race gender sexuality class religion and linguistic background Finally they suggest ways to resist the hegemony of those texts through critical analyses critical questioning and critical pedagogies

Turning Pragmatism into Practice Daniel W. Stuckart, 2018-01-11 Despite the founding of the modern social studies curriculum nearly a century ago based on John Dewey's pragmatism philosophy the field has never achieved a significant and broad implementation of his ideas Dewey's instrumentalism offers social studies educators a tool for addressing vexing problems such as whether they should design classroom experiences using a traditional or a social studies approach to learning history the role of digital technologies the purpose and challenges of younger learners working with an expanding horizons curriculum and many more At the same time Dewey's time tested theories describe how students use the social studies curriculum to make meaning as well as provide teachers a blueprint for implementing engaging and interactive lessons We have neglected Dewey which has led to confusion student disinterest and widespread teaching methodologies contrary to theoretical and research best practices Revisiting Dewey provides the why and how of what we do an ideal for creating a challenging and rigorous social studies curriculum while engaging students
