Advanced Theory and Practice in Sport Marketing Eric C. Schwarz, Jason D. Hunter, Alan LaFleur, 2013 Effective marketing is essential for any successful sport organization from elite professional sports teams to local amateur leagues. Now in a fully revised and updated second edition, *Advanced Theory and Practice in Sport Marketing* is still the only text to introduce key theory and best practice at an advanced level. The book covers every key functional and theoretical area of sport marketing including marketing research, information systems, consumer behavior, logistics, retail management, sales management, e-commerce, promotions, advertising, sponsorship, and international business. This new edition includes expanded coverage of important contemporary issues including social responsibility and ethics, social media and networking, relationship and experience marketing, recovery marketing, and social marketing. Every chapter contains extended cases and first-hand accounts from experienced sport marketing professionals from around the world. Following those cases are questions encouraging students and practitioners to apply their theoretical knowledge to real-world situations and to develop their critical thinking skills, while each chapter also includes helpful features such as definitions of key terms, summaries, and guides to further reading. A companion website includes an impressive array of additional teaching and learning resources including a test bank of exam questions, PowerPoint slides, and extra case studies for lecturers and instructors, and useful web links, self-test multiple choice questions, and glossary flashcards for students. *Advanced Theory and Practice in Sport Marketing* goes further than any other sport marketing text in preparing the student for the real world of sport marketing. It is essential reading for any upper-level undergraduate or postgraduate course in sport marketing or sport business and for anybody working in sport marketing looking to develop and extend their professional skills. *Advanced Theory and Practice in Sport Marketing* Eric Schwarz, Jason Hunter, 2010-05-14 *Advanced Theory and Practice in Sport Marketing* is the first book to address this increasingly popular subject at an advanced level. Where existing sport marketing texts restate concepts learned at an introductory marketing level, this book goes beyond by expanding the knowledge of the student with advanced marketing theory which is specifically related to the crucial areas in sport marketing. *Advanced Theory and Practice in Sport Marketing* is vital reading for any sport marketing student wishing to progress their knowledge and take their understanding of the industry to the next level. **Event Management** Greg Damster, Dimitri Tassiopoulos, 2005 Dealing with event management in developing countries, specifically South Africa, this textbook confronts the specific challenges of creating well-run events in places where world-class catering and party supplies are not as readily available as in developed nations. Complete with advice about all aspects of managing an event, the second edition incorporates additional graphs, tables, and photographs as well as new material about the legal aspects of event planning. *Events Management* Glenn Bowdin, Johnny Allen, Rob Harris, Ian McDonnell, William O'Toole, 2012-05-23 *Events Management* is the must-have introductory text providing a complete A-Z of the principles and practices of planning, managing, and staging events. The book introduces the

concepts of event planning and management presents the study of events management within an academic environment discusses the key components for staging an event covering the whole process from creation to evaluation examines the events industry within its broader business context covering impacts and event tourism provides an effective guide for producers of events contains learning objectives and review questions to consolidate learning Each chapter features a real life case study to illustrate key concepts and place theory in a practical context as well as preparing students to tackle any challenges they may face in managing events Examples include the Beijing Olympic Games Google Zeitgeist Conference International Confex Edinburgh International Festival Ideal Home Show and Glastonbury Festival Carefully constructed to maximise learning the text provides the reader with a systematic guide to organizing successful events examining areas such as staging logistics marketing human resource management control and budgeting risk management impacts evaluation and reporting fully revised and updated content including new chapters on sustainable development and events perspectives on events and expanded content on marketing legal issues risk and health and safety management a companion website www.elsevierdirect.com/9781856178181 with additional materials and links to websites and other resources for both students and lecturers
