Dear Dana Amy Weinland Daughters,2025-07-30 When Amy Daughters reconnected with her old pal Dana on Facebook she had no idea how it would change her life Though the two women hadn t had any contact in thirty years it didn t take them long to catch up and when Amy learned that Dana s son Parker was doing a second stint at St Jude battling cancer she was suddenly inspired to begin writing the pair weekly letters When Parker died Amy not knowing what else to do continued to write Dana Eventually Dana wrote back and the two became pen pals sharing things through the mail that they had never shared before The richness of the experience left Amy wondering something If my life could be so changed by someone I considered just a Facebook friend what would happen if I wrote all my Facebook friends a letter A whopping 580 handwritten letters later Amy s life and most of all her heart would never ever be the same again As it turned out there were actual individuals living very real lives behind each social media profile and she was beautifully connected to each of those extraordinary flawed people for a specific reason They loved her and she loved them And nothing not politics beliefs or lifestyle could separate them **Poison Ivy** Evan Mandery,2025-03-18 Hailed as a staggering portrait of inequality in America Philip Dray Poison Ivy tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary In a lively and trenchant Washington Monthly account Evan Mandery a Harvard graduate and current professor at a public college that serves low and middle income students reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality bred in our broken higher education system is now a principal driver of skyrocketing income inequality Mandery contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Now in an accessible paperback format Poison Ivy is a no holds barred takedown Forbes that synthesizes fascinating insider information on everything from how students are evaluated unfair tax breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America s elite colleges shows us exactly what s at stake and what will be possible

if we muster the collective will to transform it **Pushout** Monique Couvson, 2018-01-16 The powerful Michelle Alexander exploration of the harsh and harmful experiences confronting Black girls in schools and how we can instead orient schools toward their flourishing On the day fifteen year old Diamond from the Bay Area stopped going to school she was expelled for lashing out at peers who constantly harassed and teased her for something everyone on the staff had missed she was being trafficked for sex After months on the run she was arrested and sent to a detention center for violating a court order to attend school In a work that Lisa Delpit calls imperative reading Monique W Morris chronicles the experiences of Black girls across the country whose complex lives are misunderstood highly judged by teachers administrators and the justice system and degraded by the very institutions charged with helping them flourish Painting a chilling picture of the plight of black girls and women today The Atlantic Morris exposes a world of confined potential and supports the rising movement to challenge the policies practices and cultural illiteracy that push countless students out of school and into unhealthy unstable and often unsafe futures At a moment when Black girls are the fastest growing population in the juvenile justice system Pushout is truly a book for everyone who cares about children Washington Post Book cover photograph by Britt Sense brittsense com Preventing and Reducing Violence in Schools and Society Singh, Swaranjit, Erbe, Nancy D., 2021-02-05 In recent years different regions of the world have been unfortunately experiencing an increase in violent acts within various communities For example the United States has seen an emergence of severe violence within schools over the past two decades This tragic phenomenon is causing administrators and practitioners to rethink teaching techniques and implement concepts of violence prevention within schools and other social organizations Preventing and Reducing Violence in Schools and Society is a collection of innovative research on the evolution and implementation of nonviolence concepts within social settings in order to repent oppression and violence among global communities The book explores the effective diffusion of violence through masterful negotiation and mediation skills as well as mentoring counseling and related processes While highlighting topics including nonviolent teaching active shooter training and LGBT phobia this book is ideally designed for UN governments and their heads politicians NGOs communities riddled with gang and other violence schools educational leaders social organizations community leaders teachers preachers religious leaders mediators peace activists law enforcement researchers and students seeking current research on contemporary nonviolence techniques to facilitate change in schools and other societal environments **When West Met East** Osmund Bopearachchi, 2025-10-27 When West Met East Gandh ran Art Revisited is based on hitherto unpublished or partly published sculptures and artefacts from Gandh ra and Greater Gandh ra dispersed in public and private collections across Asia Europe and the United States Its subject is a form of figurative sculpture that emerged in the Gandh ran region between the second and fifth centuries ce and reflects regional cross cultural elements arising from its direct relationship with Buddhism and to some extent Hinduism as both flourished in India at the time of the Ku s n Empire The author s Introduction presents the historical foundation of the

innovative artistic expressions that characterize the singularity of Gandhian art. The first chapter covers the cross-fertilized nature of the art and examines how Western artistic inspirations were transformed into new forms of art to narrate stories of Indian origin. The second chapter argues that Gandhian artists followed the chronological sequence established in the Sanskrit Lalitavistara or pre-existing texts which may have inspired this sacred book when depicting the scenes of the life of the Blessed One, starting with the descent of the future Buddha from Tusita Heaven up to the first sermon in the deer park. Singling out one particular episode in the Buddha's life, the descent from the Trayastrimsa Heaven to Sankhyasana, the third chapter focuses on the literary sources that inspired Gandhian artists. The fourth chapter addresses the question of the first depictions of the Bodhisattvas Maitreya and Avalokiteśvara in Gandhian art. And finally, the fifth chapter looks at the symbolism behind the presence of Hindu gods in Gandhian art.

Plants vs. Meats Meredith Sayles Hughes, 2016-01-01 No one can live without food, but what you eat is a personal decision. Today many people are examining nutritional advice and choosing to eat more vegetables and fruits and less meat. But is all meat bad for you? What does the science say? People also make food choices for ethical and religious reasons. Some vegetarians and vegans avoid meat because they believe killing animals is wrong. Other people shun meat from factory farms. Recently more people are seeking out foods grown locally and organically. What do you choose to eat and why? This book will help you make decisions to support your values.

Our Social World Jeanne H. Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2019-01-02 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award, enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. *Our Social World: Introduction to Sociology* inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day-to-day basis. Organized around the Social World model, a conceptual framework that demonstrates the relationships among individuals, the micro-level organizations, institutions, and subcultures; the meso-level and societies; and global structures, the macro-level, the authors use this framework to help students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects. The Seventh Edition includes new coverage of climate change, the influence of robots and artificial intelligence on workers, race relations in the Trump era, transgender identity and gender fluidity, sexual harassment in the workplace, and the MeToo movement, declining marriage rates, the impact of tracking for students at all academic achievement levels, smoking as an example of health and inequality in the U.S., gun violence, and the student movement to control access to guns, social media, and Russian interference in the 2016 election.
