Noonan,2013-06-16 The first few years of teaching represent an intense period of experimentation and learning leading to the adoption of learner centered practices to help students achieve A critical incident or nagging problem triggers critical reflection on practice experimentation the adoption of new approaches and

permanent changes in practice When teachers improve their practice through action research and collaboration with colleagues students predictably learn more Inspecting the core areas of teaching and learning helps teachers critically reflect on practice to improve and innovate Drawing on research and best practices from education and psychology readers learn how four motivational pathways attract even the most reluctant and resistant learners to learning While many recognize the importance of well prepared and accomplished teachers in helping students learn too few recognize the need for continuous learning as the surest route to gaining expertise in teaching and increasing student achievement Practical models and strategies presented in this book will help teachers address the important challenges facing schools today including supporting disadvantaged learners raising student achievement and challenging all students to achieve their potential

The Deepest of Secrets Kelley Armstrong, 2022-02-15 1 New York Times bestseller Kelley Armstrong returns to the captivating town of Rockton in *The Deepest of Secrets* the next installment in one of the most imaginative crime series on shelves today This is a series that covers all the bases St Louis Post Dispatch It s not always easy to live in the hidden town of Rockton something Detective Casey Duncan knows firsthand Tucked away in the Yukon wilderness the community survives and thrives because the residents many secrets stay just that secret But what happens when these secrets start to come out Overnight no one is safe It s not a question of if your secret will come out but when Casey and her boyfriend Sheriff Eric Dalton need to find the culprit while protecting those who have been thrust into the spotlight For a place built on privacy and new beginnings Rockton isn t handling these revelations very well People are turning on one another and when one of the loudest complainers turns up barely alive it s clear that their trickster is actually a murderer The threat of exposure is reaching its breaking point and no one knows what s going to happen next

One Step Ahead David Sally, 2020-05-05 There s been a revolution in negotiating tactics The world s best negotiators have moved beyond *How to Win Friends Influence People* and *Getting to Yes* For over twenty years David Sally has been teaching the art of negotiation at leading business schools and to executives at top companies Now he delivers the proven clear actionable insights you need to stay competitive in an ever changing marketplace *One Step Ahead* offers the fundamental wisdom that elevates the sophisticated negotiator above everyone else Readers will gain the advantage in everything from determining when to negotiate and deciphering a game strategically to understanding which personality traits matter why emotions are not necessarily to be avoided and how to be tough and fair You ll learn to be round on the outside and square on the inside how to command the idiom why to avoid bumping into the furniture and how to achieve mastery of the word and the number While all of life is not a negotiation Sally says a negotiation incorporates all of life *One Step Ahead* is for anyone and everyone who bargains parents manages buys sells emotes and engages Based on cutting edge studies and real world results and drawing parallels to everything from the NBA to the corner con game to Machiavelli Xi Jinping and Barack Obama *One Step Ahead* upends conventional wisdom to make sure that you have what it takes to stay one step ahead no matter whom you are facing across the table
