2 Hostelers live like the members of one family and they learn the lessons of love, sympathy and tolerance. A hosteler has to help himself in so many ways. He has to make his own bed and has to polish his own shoes. Sometimes, he has to wash his clothes as well. In fact he himself has to take care of all things.

3 In this way, the hosteler learns to depend on himself alone. Life in a hostel is very calm and quiet and a student can study as much as he likes. These are some of the advantages of hostel life.
