STEP 1: HOW TO BRAINSTORM A TOPIC

Before we even get to college admission essay format we HAVE to talk about topic. Why? Because without a great topic, the structure doesn't matter (or it matters much much less).

So here's our first bit of advice: choose a topic that is elastic. What do we mean by that? It means choosing a topic that stretches to talk about many different skills/qualities/values you possess.

How do you do this?

Spend about 10 minutes on each of these exercises.

We get it. You're already like, “But I already have my topic--I just want to know how to make it better.”

But do you? Is this topic the best topic for you? Is it the most elastic topic you can find? Are you sure, if you're sure, you can skip ahead. But if you're not sure that this topic is your deepest story, spend a little

Transnational Space in the First Year Writing Classroom W. Ordeman, 2021-05-04 During the first twenty years of the new millennium many scholars turned their attention to translingualism an idea that focuses on the merging of language in distinct social and spatial contexts to serve unique mutually constitutive and temporal purposes This volume joins the more recent shift in pedagogical studies towards an altogether distinct phenomenon transnationalism By developing a framework for transnational pedagogical practice this volume demonstrates the exclusive opportunities afforded to freshmen writers who write in transnational spaces that act as points of fusion for several cultural lingual and national identities With reference to recent works on translingualism and transnationalism this volume is an attempt to conceptualize effective writing pedagogy in freshman writing courses which are becoming more and more transnational It also provides educators and first year writing administrators with practical pedagogical tools to help them use their transnational spaces as a means of achieving their desired learning outcomes as well as teaching students threshold concepts of composition studies This volume will be particularly useful for first year writing faculty at colleges and universities as well as writing program administrators to create a more effective curriculum that addresses these needs in classroom settings All scholars with a doctorate in Rhetoric and Composition English as a Second Language Translation Studies to name a few will also find this a valuable resource *Writing Errors and Their Ways* Philip J. Skerry, 2023-04-11 This book examines errors in writing from several different perspectives The most important perspective is contextual what may be an error in one kind of writing may not be an error in another kind Another perspective is a hierarchical one some errors are more significant than others A third perspective deals with genres such as fiction vs nonfiction written vs spoken language Throughout the book the emphasis is on Standard Written American English SWAE which is presented as the gold standard of writing Other factors that affect writing errors are examined in detail such as the role of social movements and trends Examples are drawn from the LGBTQO community and the roles of social media Throughout the text errors are presented along with grammatical explanations and correction strategies The book takes into consideration that language and language standards change as exemplified by the upheaval in pronoun usage tied to dramatic changes in gender roles and identities
