John Locke and the Eighteenth-Century Divines Alan P.F. Sell, 2006-09-01 Where Christian apologetics are concerned is Locke to be endorsed repaired modified or forsaken The diverse answers given to this question by the eighteenth century divines form the complex subject of this book which offers the first detailed account of his influence upon the religious thinkers of the eighteenth century The work is based upon a thorough search of relevant materials many of them scarce and widely dispersed But the question is still relevant three centuries after Locke s death and Professor Sell s objective in this volume is not only historical From this study of the reception of Locke by the divines there emerge pressing questions about method reason faith revelation and authority which need to be addressed by those who would attempt Christian apologetics as Christianity s third millennium approaches Although this book stands in its own right it can also be read as a companion volume to the author s *Philosophical Idealism and Christian Belief* University of Wales Press 1995 Together the two books represent soundings taken in important Enlightenment and post Enlightenment intellectual traditions The question whether an apologetic method may be found which avoids the pitfalls exposed both by the examination of Locke and the idealists and which circumvents latter day embargoes upon Christian apologetics will be addressed in a third and final volume A manual of phonography, or, writing by sound ... Black American Writing from the Nadir Dickson D. Bruce, Jr., 1992-08-01 In this wide ranging study Dickson D Bruce Jr analyzes post Reconstruction and turn of the century black writing treating minor as well as major authors and considering a broad range of genres Bruce shows that black writers confronted the conditions of an increasingly racist society in almost every aspect of their work from their choice of subject matter to the way they drew their characters to the mood they portrayed At the same time these writers most of whom were members of a small but growing black professional class displayed a concern for middle class aspirations and values Bruce underscores the significance of discerning the tensions between these opposing forces in studying the literature of the time Bruce's attention to the body of work produced by minor writers most of whom have remained obscure to all but a few literary scholars and historians adds an important dimension to our understanding of African American history and literature His discussion of such better known writers as Charles W Chesnutt Paul Laurence Dunbar James Weldon Johnson and W E B Du Bois places them in a fuller literary context defining more clearly their significance as individuals Black American Writing from the Nadir is an insightful well focused work that will benefit social and cultural historians as well as students of literature

Impagination - Layout and Materiality of Writing and Publication Ku-ming (Kevin) Chang, Anthony Grafton, Glenn W. Most, 2021-01-18 This volume is a comparative study of the practice of impagination across different ages and civilizations By impagination we mean the act of placing and arranging spatially textual and other information onto a material bearer that

could be made of a variety of materials papyrus bamboo slips palm leaf parchment paper and the computer screen This volume investigates three levels of impagination what is the page or other unit of the material bearer what is written or printed on it and how is writing or print placed on it It also examines the interrelations of two or all three of these levels Collectively it examines the material and materiality of the page the variety of imprints cultural and historical conventions for impagination interlinguistic encounters the control of editors scribes publishers and readers over the page inheritance borrowing and innovation economics aesthetics and socialities of imprints and impagination and the relationship of impagination to philology This volume supplements studies on mise en page and layout an important subject of codicology first by including non codex writings second by taking a closer look at the page or other unit than at the codex or book and third by its aspiration to adopt a globally comparative approach This volume brings together for comparison vast geographical realms of learning including Europe China Tibet Korea Japan and the Near Eastern and European communities in which the Hebrew Bible was transmitted This comparison is significant for Europe China and India all developed great traditions of learning which came into intensive contact The contributions to this volume are firmly rooted in local cultures and together address global comparative themes that are significant for multiple disciplines such as intellectual and cultural history of knowledge both humanistic and scientific global history literary and media studies aesthetics and studies of material culture among other fields

A General History of Chinese Art Xifan Li, 2022-10-03 This volume studies the evolution of Chinese art during the Qin and Han Dynasties The Three Kingdoms Eastern and Western Jin and the Northern and Southern Dynasties It traces the initial artistic vocabularies of Chinese calligraphy as well as the rapid development of the performing and the decorative arts A General History of Chinese Art comprises six volumes with a total of nine parts spanning from the Prehistoric Era until the 3rd year of Xuanton during the Qing Dynasty 1911 The work provides a comprehensive compilation of in depth studies of the development of art throughout the subsequent reign of Chinese dynasties and explores the emergence of a wide range of artistic categories such as but not limited to music dance acrobatics singing story telling painting calligraphy sculpture architecture and crafts Unlike previous reference books A General History of Chinese Art offers a broader overview of the notion of Chinese art by asserting a more diverse and less material understanding of arts as has often been the case in Western scholarship
